St Paul’s complete Cup double with dramatic last minute winner! On Monday 23 April St Paul’s School played the schools primary district cup final at Hemel Hempstead School. The competition includes forty primary schools within Dacorum and the games spread between October and April. The school played eight group games, a quarter final, semi-final where they beat local rivals Bovingdon 2-1, and then the final against Broadfields School.

Within ten minutes after kick off St Paul’s found themselves 2-0 down, but after composing themselves they started to play their usual pass and move football which resulted in levelling the score to 2-2 at half time.

Second half was very close with both teams fully committed to defending and attacking, the deciding goal came with one minute to go and St Paul’s had their heads in front for the first time. So final score 3-2 to St Paul’s and a well deserved victory.

This completed the double cup victory as the school’s football team had won the day tournament at Kings Langley school a few weeks earlier.

A parent of the school, Mark Swales, took the training sessions and match days. A big thank you to Mark for committing his time to the team.

Nick Fanshawe who is the school’s football leader added, “To win the double is quite some achievement for a school so small. We have gone through an entire campaign unbeaten, only drawing one game and winning the rest. A completely well deserved and fitting end to all their hard work”.

Special mention to Chipperfield Corinthians who allowed the school to use the pitch and facilities for home games; there is no doubt that the improved surface and size of the pitch helped the team throughout the season. Chipperfield Corinthians football club has two adult teams and the first team play in the Hertfordshire County league. It also has a rapidly expanding junior section with 8 football teams from ages 6 to 12.

Vice Chairman
Chipperfield Corinthians Youth Club
PROPOSED REDEVELOPMENT OF ‘GARDEN SCENE’ SITE
Enclosed with this issue of Chipperfield News is a leaflet from developer ‘Marchfield Homes’ outlining their proposed scheme of 17 homes and a new ‘home’ for the present Village Store and Post Office. Under discussion since 2013, not only with Dacorum Borough Council as part of a pre-application process but also Chipperfield Parish Council, the scheme takes on board the comments and suggestions from both Councils. The development will have two access points – one from Chapel Croft to the western side of the site including the village store and the other from Croft Lane for the eastern side.

The scheme includes a replacement storage unit for your Parish Council to replace the current one housed on the existing site.

Marchfield wishes to apply for planning approval this summer but recognises that this is the largest development in Chipperfield for more than 10 years and has agreed to the Parish Council’s suggestion to inform the whole village about this proposal via Chipperfield News. Additionally, Marchfield, their architects and planning consultants welcome feedback and suggestions from Chipperfield residents’, see the final paragraph of the leaflet. Your Parish Council would appreciate a copy of your feedback being sent to: parishclerk@chipperfield.org.uk

In terms of timescale, it is likely to be about two years to completion.

Cllr Geoff Bryant
Chair of Planning Committee, Chipperfield Parish Council

CHIPPERFIELD HORTICULTURAL SOCIETY SUMMER SHOW
Saturday 16 June
Village Hall, 2.30pm

In spite of the terrible spring weather, this summer show will be filled with all the most wonderful annuals and perennials especially sweet peas and, of course, roses. All the flowers have their own classes as well as the very popular classes we introduced two years ago; four kinds of herbs, five hosta leaves, five Fern leaves as well as a vase of mixed grasses and/or wildflowers. This is also the time for the soft fruit and there are classes for them all as well as vegetables. Floral art have their usual three classes. Handicraft: anything from painting, drawing, embroidery, soft toys, canvas work, woodwork, a quilt or indeed any other craft article. Display frames are available for any quilts.

The domestic section includes a jar of jam, a 9” pizza with any topping, a ginger loaf, four pieces of bread pudding, three individual fruit pavlovas and seven Viennese fingers, both ends dipped in chocolate. All sounds wonderful!

The photography section has three classes; ‘Butterfly or Butterflies’, ‘Sunset’ and ‘A flower, close up’. The maximum size print is 7” x 5” and may be mounted.

The juniors are divided into two sections 3-7 years and 8-15 years. Each section has two classes; ‘Make a Recycled Article’, ‘Something New From Something Old’ and ‘An Arrangement of Grasses in a Jam Jar’. Each exhibit must be the exhibitor’s own unaided work; school work may be entered. There will be a bring and buy plant and produce stall.

Prize giving at approximately 3.30pm followed by an auction of produce and a raffle. We will be serving our famous homemade cream teas and cakes. So come along and have a great afternoon; we look forward to having you with us. If any of our members have mislaid their schedules, please contact.

Ann Soanes 01923 262756

LOCAL ART EXHIBITION
The Wildacre Art Group is holding an exhibition on Sunday 26 August from 2-5pm and Monday 27 August from 10.30am-5pm at Chenies Baptist Church. There will be pictures on display, both framed and unframed, in a variety of media, watercolour, pastel, acrylic and oil. Many greetings cards and refreshments, will be available.

COMMUNITY DEFIBRILLATOR SEMINAR
Thursday 14 June, 7pm
St Paul’s Parish Room

The Community Heartbeat Trust will be demonstrating the use of defibrillators; it is not a hands on event. The course will last approximately two hours. Parking will be available in the School car park which closes at 10pm.

This is a free event funded by the Parish Council and all residents are welcome. Any enquiries, please contact the Parish Clerk: parishclerk@chipperfield.org.uk

MANOR HOUSE BARN CONCERT
Saturday 21 July

The popular summer concert of great songs and light-hearted music with orchestral accompaniment will be taking place in the Manor House Barn on 21 July at 7.30pm. The extensive Manor House Gardens will be open for ticket holders to visit from 6.30pm, by kind courtesy of the Tapner family. Drinks will be available on the terrace during that time and again in the interval. This year the concert will have some underlying post WW1 themes, but we are delighted that our star central feature will be The Leading Ladies, led by Rosie Clifford. The evening will host a galaxy of unforgettable music. Seating is limited and numbered seats will be sold from front to back. Tickets are £15, available from Ann Soanes from 18 June.

Email: Ann-tony@hotmail.co.uk
Tel: 01923 262756.

If you would like to take part in the chorus for this concert, full information, including rehearsal times, can be obtained from Anne King by email: annejking@gmail.com

**CHIPPERFIELD INDOOR SHORT MAT BOWLS CLUB**

Terry Timberlake, chairman of Chipperfield Short Mat Bowls Club, with his competition partner Stewart Goldsmith won the Blackwell Pairs Trophy in a closely fought final. On what should have been the last game of the season the score was even, and so an extra end had to be played, which was decisive. The runners up were Graham Skinner with Bill Taylor, who helped make the final a match to remember.

The John Prestwich trophy, for the most improved player, was awarded this year to David Hamberger, who is in fact a veteran member of the Club. An unusual choice by the Club Committee but David in the past has had difficulty playing well so decided to change his hand. After a short learning period David has improved remarkably.

The trophies were awarded at the Club’s annual end of season dinner, held this year at Boxmoor Lodge. The Chairman, as ever, entertained us with his speech and thanked the ladies who organize the catering. Doreen Adair and Anne Atkins, together with Bill Taylor who manages the Pairs competition. The Club plays from October to the end of April at the Village Hall and has enjoyed a particularly good season with full membership. We were fortunate in only losing one evening, in March, to bad weather. Two additional inter-club matches were organized against Kings Langley and Leverstock Green. Many of our members continue their bowling outside in the summer with other clubs, and so Club members can now look forward to meeting up again at the Village Hall, Chipperfield, in October.

*Alan Betts, Secretary*

**VOLUNTEERS CORNER**

**UPDATE FOR JUNE**

Do you want to add to the list or are you able to assist with any of the following? If so, give me a ring.

**Village Hall – Next project is wood preserver on the Theatre Group sheds – a ‘thank you’ for their Aladdin four months ago.**

Still waiting for a volunteer, or someone to offer money.

**School Gym – The lining for the curtains in the school gym – waiting for the machinist to do the work – cost is covered.**

**School Outdoor Furniture – Wooden furniture in the school. Money received, waiting for dry weather.**

March and April were too wet!

**Chuchyard Wall – The flint wall round the churchyard - this still needs work removing the ivy. Two people are working at this but still need some more help with the far side. Have you some time?**

**Village Hall – inside of the boiler house.**

*Our young volunteer has painted almost half, but is now doing GCSEs. Thank you to the Bucks Hill family who supplied another 10 litres. Have you any time to help paint?**

**Projects for June – repointing of the churchyard wall. Could you help with this on a working party for a half day? Now two volunteers, hoping to fix a morning in June.**

**The red phone box – We could use a couple more volunteers to work on the inside as well, paint provided by someone who can see the box from his house!**

*Stephen Morrill: 01923 263182*

---

**THANK YOU**

Despite the ghastly weather on Saturday 28 April the rain more or less held off. We had volunteers inside, cleaning St Paul's Church, and even more ministering to the churchyard.

Many thanks to everyone who was there and especial thanks to Phil Waine, a perfect producer of breakfasts!

---

**CHORAL SOCIETY SUMMER CONCERT 'Light Eternal'**

At our Summer Concert on Saturday 16 June we will be commemorating the end of the First World War with a selection of music specially chosen for our theme 'Light Eternal'. The main piece is the moving Requiem by John Rutter which includes the gloriously pure and much-loved Pie Jesu. Also, by Rutter, we will be performing his setting of well known Negro spirituals 'Feel the Spirit'. We then have Arthur Robson's evocative 'The Soldier' and the concert rounds off with a rousing medley of well-known songs from the First World War. The soloist for the concert will be Rosemary Clifford. The concert starts at 7.30pm in St Paul's Church. As usual we hope for a glorious summer evening so that interval drinks can be taken al fresco. Tickets are available from choir members or the Box Office on 01923 400520.
Your needs - our prayers
When you just can’t see what to do!
Or life seems to be overwhelming you? We are happy to pray for you!
We pray in the Baptist church for the needs of the community of Chipperfield and beyond.
We want to do this because we believe God answers prayers and is always ready to do great things.
Be sure that even if you want to give names, everything shared will be in strictest confidence.
1/3 of prayers answered positively in 5 months!
Four people have got jobs as an answer to specific prayers.
Two healings of serious and terminal disease.
Various illnesses healed.
Witnessed around a third of all prayers answered positively!

THE BAPTIST CHURCH
Minister Vacant

CATHOLIC CHURCH OF OUR LADY
Father Richard Mway Zeng SDS
01923 266177
Curate: Fr Christopher Luoga

ST PAUL’S AND THE SAVIOUR RC CHURCH
As May concludes, we celebrate the Solemnity of the Most Holy Trinity, of course universally known as Trinity Sunday. While we contemplate the mysteriousness of God, it is a time when we turn into a different chapter in the liturgical year. Since Advent we have been largely engaged following the principal events in Jesus’ life. Now we take a more measured approach, and we are invited to pay more attention to worship God in the form of Father, Son and Holy Spirit, all three. While the emphasis of our scripture readings will be on the ministry of Jesus, it is through the understanding of the Trinity that our Christian discipleship and love for fellow man will be boosted.
Early in June there is another important feast underlining the legacy of God’s plan for mankind’s redemption. On Maundy Thursday, perhaps overshadowed by the sombre events of the final few days of Christ’s earthly presence, we celebrated the institution of the Eucharist. In less gloomy times comes the day of The Body and Blood of Christ, always known as ‘Corpus Christi’. Of course, the Eucharistic service always takes place under the shadow of the Cross, so whatever the time of year, it’s a memorial of the sacrificial love that was central to Christ’s mission on earth. Partaking in the Eucharist invites us to place self-sacrificing love firmly in the centre of our Christian lives.
So, in June we will welcome our youngsters to their next step of their growing understanding and participation in Christian faith. ‘First Holy Communion’ is a day of celebration, both spiritually and temporarily, as they join their elders in the Eucharistic commemoration.
“May they always know the peace of Jesus, the light of His love, and the joy of His life within them”.

ST PAUL’S AND HOLY CROSS
Although I haven’t personally counted, I am told that there are 365 times in the Bible when we are told ‘fear not’. In theory this should leave us just one day every four years when we need to really worry. But there seem to be lots of reasons to be afraid, the political climate nationally and internationally appears increasingly unstable, citizenship increasingly uncertain.
All of these fearful things are talked up, increasing our fearfulness. As we become more fearful and our fears more exaggerated we are less able to live in harmony with each other, or have a sense of belonging; suspicion and alienation become the order of the day.
There are forces afoot in the world hell-bent on feeding our fears, using them against us, masking the innate goodness in the world, creating a hostile environment of mistrust of others, taking us down paths of separation and fragmentation rather than cooperation and integration. Fear
As we look at the world around us, fear is like a distorting lens which dulls our senses, clouds our judgement, obscures truth. What is that? And it curbs our rejoicing, upsetting the rhythm of the dance.
Fear reduces the human capacity for love…….for everything.
Let’s just say that fear reduces human capacity.
So what life do we want to choose for ourselves, for our children – fear or freedom?
Fear induces us to circumscribe our actions in such a way as to provide an illusion of safety. Freedom takes courage, to be sure: and that’s a problem for most of us as it’s often pretty scary. But it leads to a life of abundance and love. Jesus’ intent was to provide his disciples with the tools to live this abundant life of freedom - a life worth living. It starts with love. In his own words Jesus reminds us that “perfect love drives out fear”, even if it did lead to the cross.
Michele.

**PAINT JOB ON THE COMMON**

Chipperfield once again hosted the welcoming party for the Dulux Charity Cycle Ride, known as the North London Leg Buster, on Sunday 13 May. Blackwell’s and St Paul’s School PTA arranged flags and banners along the road as well as a Family Fun-day for villagers and supporters of the cyclists. Hundreds of cyclists rode through the village on their route around London raising money for nationally known charities. Our wonderful school came up trumps with lots of stalls, including bottle tombola, sweets in jazzy jars, cakes, hook a duck and candyfloss.

The PTA has donated the money raised towards some much needed interactive whiteboards for the classrooms. Thank you to everyone who supported us.

**THE ARTS SOCIETY RICKMANSWORTH**

ST PAUL’S SCHOOL NEWS

It has been a very busy start to the summer term. Year 4 went off on their residential to Kingswood Activity Centre in Norfolk. After a rather eventful start, in which the coach got stuck in the mud outside school, they had a fantastic few days – the wonderful weather made all the difference. They participated in a range of activities, including: Abseiling, Leap of Faith (where they had to climb a pole, jump and catch a trapeze), Go-Karting, Pool Party, Laser, Orienteering, Bouldering and Obstacle Challenge. It was wonderful to see the children progress and grow in so many ways, taking on personal challenges, developing independence, work as a team and most importantly, having fun!

Fundraising

We have had some response to our fundraising request for new whiteboards, including a couple of parents and an extremely generous villager – thank you. FOSP (Friends of St Paul’s) have also continued to work incredibly hard with the Easter Egg Hunt, Movie Night and Dulux Fun Day. The staff and children are extremely pleased with the two new boards that we have been able to purchase – the quality of what we can offer has improved enormously. More funds are still needed so please pass this information on to anybody or any organisation who may be in the position to support or sponsor us. Many thanks.

Caroline Moore, Headteacher
St. Paul’s C of E VA Primary School

CHIPPERFIELD AND THE GREAT WAR

The 3 June marks the centenary of the death from wounds, at the front, of Arthur Providence Bignell. Arthur was born at Pensons Green in 1884, but spent most of his life in Belsize where he lived with his widowed mother Mary. A former pupil of Chipperfield School he worked as a road mender prior to joining up. In December 1916 he crossed to France and was a driver with the Royal Artillery. On 3 June 1918 he was severely wounded when going to the guns while on duty and received a shell wound to the head. Arthur never recovered consciousness and his body was laid in Esquelbecq Cemetery near Dunkirk.

Meanwhile on the home front William and Cissy Allen of Commonwood House found themselves in trouble for food hoarding. With the deterioration in the food supply, controls on the hoarding of food came into effect in 1917, and in January 1918 food rationing was introduced. Following a complaint received by the Watford Food Control Committee, their inspector spent five hours conducting a search of Commonwood House. He found large quantities of various food items distributed around the 25 room house, including a bedroom. Mrs Allen said that she had originally stockpiled the food for fear of an invasion. Despite protestations that Mrs Allen had reported the hoard to The Ministry of Food the magistrates find William Allen £350 with £112 costs. This was reduced on appeal to £65 with £40 costs.

Andrew Nobbs

ANNUAL PARISH MEETING

Forty five people as well as our councillors came to the Annual Meeting in the Parish Room; County Councillor Richard Roberts was also there, along with guest speaker Giles Meredith from CDA Herts, a topical speaker in view of likely developments along Chapel Croft.

After summaries of what the Council has been doing since the last APM, Councillors presented grant cheques totalling £9,100 to support local organisations – junior and senior football clubs, maintenance of the churchyard, refurbishment of the Village Hall, the New Burial Ground Trust, and smaller amounts to the Liz Holliday Fund and to support the Walks through Victorian Chipperfield led by Mary Nobbs each year for year 6 pupils.

Traffic; smiley face speed signs should appear late summer on the Tower Hill and Bucks Hill approaches to the village; HCC are surveying final positions for suitability.

Garden Scene; Councillors updated the meeting on the proposed development with single and multi-bedroom housing in Chapel Croft. We hope that there will be an insert including architects’ drawings with this edition of Chipperfield News. (There is more information from the Council on page 2 of this edition).

The Land Rover Garage; sales and servicing are scheduled to move to new premises in Aston Clinton after Christmas, but there are no firm proposals yet for the redevelopment of the site. A likely use is for housing.

Giles Meredith then spoke about the role of the Herts Community Development Agency which supports villages in matters such as transport, housing, village halls and community energy projects, spreading news of what works and what doesn’t. Interestingly, he said that the only sites to have provided truly affordable housing are those where the local authority already owned the land; private developers have built very little that is truly affordable.

In the Open Forum concern was expressed about parking opposite the Two Brewers making it difficult for Moreen (the school crossing patrol) and for traffic turning left from Bucks Hill. Others highlighted customer parking outside the Larder which makes it difficult for traffic from Chapel Croft to see cars approaching along The Street.

The meeting ended with snacks and drinks and opportunities to chat with our councillors. On behalf of our readers Chipp News thanks the councillors, clerk, warden and ranger for the work that they do to keep Chipperfield in good order.

LOCAL ARMED FORCES EVENTS

2018 marks 100 years since the end of the 1914-1918 War, as well as the 100th Anniversary of the Royal Air Force. Dacorum is hosting an Armed Forces Day event which will give local residents the valuable opportunity to show support and appreciation for the entire Armed Forces community. This includes cadets, veterans and families of Service members as well as those who are currently serving. The free, family friendly, event will feature The Portsmouth Action Field Gun Display Team, the RAF Halton Military Wives Choir and many more exciting acts.

The Dacorum Armed Forces Day event is on 30 June, 10am - 4pm in Gadebridge Park, Hemel Hempstead. Please visit www.armedforcesday.org.uk. To celebrate and commemorate the 100 years since the formation of the Royal Air Force, my RAF colleague and I are planning to each ride a motorcycle 4000 miles around the UK visiting 100 RAF stations, past and present, in ten days at the end of July, raising money for the RAF 100 Appeal. For more information follow us on Facebook, Twitter and Instagram @RAF100Stations. More updates will also follow in the Chipperfield News.

Corporal Marcus Rees-Whybrow, RAF
Welcome to
VILLAGE MARKET PLACE

Village Market Place is here to help local people sell items they no longer need and we have our first sellers in this edition.

If you find yourself with items that are getting in the way give us a try and email your advert to villagemarketplace@chipperfield.org.uk

Items up to £49.99 will cost £5 for one insertion and items £50 or more will cost £7.50 for one insertion.

We will ask for the money before it appears.

Any transaction will be strictly between sellers and buyers and the Chipperfield News will not take any role in, responsibility for or liability for sales or purchases.

I love the changing seasons; I have always thought it would be boring if it were sunny every day. My favourite time of year is early spring, the joy of finding the first primrose in bloom, the freshness of new green grass. What could be better? Primroses are probably my favourite flowers; as a child we used to go and pick them. I know better now. I got quite distressed the first time they began to diminish in The Wings, the woodland that my father gave me. 35 years ago Dad and I would have a few days in January or February thinning some of the ash to make fencing stakes or sycamore or holly for firewood, but for the last 15 years or so nothing was cut and, with the loss of light, the primroses began to disappear.

With the help of John Morris at the Chilterns Woodland Project I got a felling licence and in 2014 we marked up and sold some ‘standing firewood’. It looked a bit drastic, seeing so many trees with orange spots, but John knows what he is doing and now it’s hard to believe we took any out at all. But there are more primroses than I have ever seen before!

This morning Ted, my old dog, was feeling quite spritely and we walked up to The Wings, enjoying the dawn chorus. The bluebells were just opening and there were great pools of snow-white blooms on the ransoms or wild garlic plants. I hate the smell when one treads on the leaves, but they looked stunning amongst the bluebells in the low morning light. They are spreading and so is the delicate little woodruff. Violets are everywhere; it made my heart sing!

Soon the leaves will be out on the trees and the wood will take on a different feel. Then I will have to decide when to thin again. I have done several woodland management courses recently and it seems one should look at a wood every five years and thin as necessary, so maybe next year or the year after. I will not be leaving it so long again, that is for sure!  

Wendy Bathurst

**LET THERE BE LIGHT**

**JUNE IN YOUR GARDEN**

With nice long warm days this is the month that we can really enjoy our gardens. There are still plenty of jobs to get on with.

The flower garden. We have not had a frost in June for over forty years so it should be safe to plant out the most tender plants. Plant the beds and borders with bedding plants such as ageratum, begonias, cosmos, dahlias, marigolds, nemesia and petunias using aluny and lobelia for edging. Geraniums, fuchsias, large flowered begonias and pelargoniurns are plants that do not need a great deal of water. Plant up hanging baskets, window boxes and containers with geraniums, fuchsias, begonias, surfinia, petunias, and calibrachoa using trailing plants such as verbena, nepeta, bidens, bacopa, lobelia and trailing begonias. Mix water retaining gel such as SwellGel with good compost when planting and feed regularly with a liquid feed such as Miracle Gro or Phostrogen. Feed roses, shrubs and perennials with Toprose fertilizer or Vitax Q4, using an ericaceous feed for camellias, rhododendrons and azaleas. Spray roses every few weeks with something like Roseclear to prevent attacks of blackspot, mildew and rust. Clip topiary such as box pyramids but do not cut hedges until the birds have finished nesting. Keep planting container grown roses, trees, shrubs, climbers, conifers and cottage garden hardy perennials. Stake the taller growing plants and apply thick mulches around plants to help moisture conservation.

Fruit and vegetables. Start to pick strawberries and raspberries and cover with netting to keep the birds off. Strawberry runners can be rooted and potted ready for planting out for next season. Plant out runner beans, marrows and courgettes, outdoor tomatoes and ridge cucumbers and make further sowings of runner beans plus dwarf beans, carrots, peas, swede and sweet corn. Plant Brussels sprouts, celery, leeks and winter cabbage and sow salad crops regularly plus catch crops. Earth up the potatoes and start to harvest new potatoes. Watch for the caterpillars of the cabbage white butterfly and remove them and cover brassicas with netting which will help. Put coding moth traps up into apple trees, if not already done. Water vegetables regularly, hoe to keep down weeds and feed with growmore fertilizer or fish, blood and bone.

The greenhouse. Tomatoes need to be tied up and side shoots will need to be removed and always water tomatoes regularly and feed with liquid feed such as Tomorite. There is still time to plant tomatoes, cucumbers, aubergines and peppers in pots and growbags. Watch for whitefly and putting up sticky traps often helps. Keep the greenhouse well ventilated and damp down during hot spells to keep the humidity up.

Lawn and garden. Keep cutting lawns regularly but never cut too short especially in hot dry weather. Water new turf or seeded grass areas but never water established lawns. Water lawns regularly, but it should not be necessary to water plants growing in the ground unless they have just been planted.

**Shows and events. Chipperfield Summer Flower Show on 16 June and Bovingdon Show is on 20 June. The RHS Chatsworth Flower Show is on 6-8 July and the RHS Hampton Court Palace Flower Show is on 2-8 July (tickets from rhs.org.uk/shows or ring 0844 995 9664). BBC Gardeners World Live is at the NEC Birmingham on 11-17 June (tickets from bbcgardenerworldlive.com or ring 0844 581 1344). Gardens open to visit this month include 124 Highfield Way, Rickmansworth on 3 June, Ashridge House, Berkhamsted, and Serge Hill Gardens, Bedmond, on 10 June.**

**Chipperfield Care**

Regenerated Charity Number 1002737

**Chipperfield Care is a group of volunteers who have banded together to help those who are unable to find their own transport to essential appointments such as hospitals, doctors, dentists, medical clinics etc.**

**Can we help you?**

Do you have problems getting to important appointments? Unable to use public transport or no access to other forms of transport? Whether this is short or long term please call our help line and we will try to help.

**Can we help you?**

**Help Line on 01923 264 700 9.30am to 1.30pm on weekdays**

**Can you help us?**

Our help line is run by volunteers, our Duty Officers, Monday to Friday between 9.30am and 1.30pm. They then contact our Drivers to arrange the safe transport of our clients to and from their requested destination.

**Could you volunteer as a Driver or Duty Officer for a few hours a month?**

If you can help in any way, please call Patricia Harrison on 01923 261595 or Mark Jarrad on 01923 268910.
