NEW BURIAL GROUND
AT LONG LAST!
Chipperfield News can report that after eight years of hard work by the project team there is now visible progress on the New Burial Ground. At the end of January the Trust signed a 125 year lease with Dacorum Borough Council which gave the Trust control of the small piece of land diagonally opposite Blackwells.
The project began with a public meeting which was followed by an extremely positive survey of local residents. The small project team then put in a lot of time and work to obtain planning permission and meet the several planning conditions, following which Dacorum agreed to part with the land. Councillor Stewart Riddick, Christopher Gaunt and Nicholas Brown from Dacorum Borough Council gave the project team a lot of practical help and advice. More particularly, the Trust would like to thank Blackwells, the Parish Council, all villagers and the many Chipperfield businesses and organisations for their enormous and very generous fundraising support over the years.
There remains significant work (and some fundraising!) to do before burials can start; such as clearing the site, construction of a brick and flint wall (similar to the churchyard wall) facing the road, and planting of a hedge along the other two sides in the autumn.
The Trust, which is non profit-making, is registered with the Charity Commission and has the sole aim of providing space for burials and ashes to the families of past, present and future residents of the Ecclesiastical Parish of Chipperfield regardless of religion or belief. Fuller details will be made available in due course.

SCHOOL BREAK-IN AND VANDALISM
Unfortunately, we have had a break-in to our sheds and property damaged at school. The police have been informed. Due to the nature of the property tampered with and damaged, it looks like children/teenagers. The sheds have been broken into and sports equipment has been destroyed and thrown all over the place, including into our pond and wildlife area. Benches have also been broken and thrown into the pond. The site is a terrible mess; property has been destroyed and our wildlife has been disturbed.
We have had other instances of disturbance recently. It is frustrating, to say the least, as staff have spent time organising resources for the benefit of the children and - with budgets as they are - we simply do not have the income to be able to replace damaged and stolen property. This affects staff time, provision and the quality of the environment for the children at our school.
Could we ask all members of the village to be vigilant and please pass on this message. Thank you.
Caroline Moore, Headteacher, St Paul’s C of E VA Primary School

OUR OFSTED by Year 5
“On Monday we had to get our classroom really tidy before we went home.”
“The inspector kept stalling his car at the barrier and couldn’t drive it into the parking space.” (Somewhat alarmed we questioned this! The car was hired, suffered clutch failure and was replaced at the school – Ed.)
“The teachers were under pressure and looked worried all day.”
“We were allowed to wear our shoes in class; Mr. Fanshaw normally makes us take them off to keep his carpets clean.”
“He asked me if I felt safe at school; I said yes because there are a lot of teachers around.”
“I asked him if he wanted to play the shark game with us. He said no because he had his own games to play” (Hopsotch when you were at school? Google it - Ed.)
“Mr. Fanshaw wore his lanyard all day; he usually keeps it in his pocket.”
“The inspector looked at my Maths and English books.”
“He spoke to me on the playground; I am a play leader and he asked what I did.”
“We had to put our hands up before speaking.”
And a final comment from year 1; “Miss. Moore had a new haircut and a new cardigan when she took our class.”
Editor - The Ofsted report will be published on the Ofsted website mid-March.

BIRDSONG WALK
Thursday 7 March
8.15am
The voices of birds are all around us, but do you know who's behind them? Come and learn how to identify some common birds by their songs and calls with local naturalist Sam Buckton on a walk around Chipperfield Common. This free guided walk will last an hour, starting and ending at the car park near Pill Pond. The walk finishes in time for the Friends of Chipperfield Common's working party session.

NEWS FROM ST PAUL’S C OF E PRIMARY SCHOOL

The exciting news of the month is that we were awarded £7500 from the Aviva Community Support Award towards our technology project. We were told that they were coming into school as they wanted to film all finalists – so we were incredibly excited when they announced to myself and a group of Year 6 children during a ‘sound test’ that we had won the award! The excitement caught on camera – and then in the staffroom afterwards – was genuine! This will help enormously to add to the fundraising already done by our hard-working PTA – FOSP (Friends of St Paul’s) and donations from generous villagers. Once the technology has been installed, we hope to re-start our computer classes after school to support citizens of the village with their computer skills and give something back to the community. We do still need to keep going with our fundraising and sponsorship as we will have to find the funds for whiteboards, and the terminals in our computer suite have started to break down after many years.

The disappointing news of the month was that our JRock/Rock Challenge competition was postponed just a week before the event. The BeYourBestFoundation, which sponsors the events across the UK, has gone into administration. Our Year 6 teacher and sports leader, Sarah Smith, has been working on the project since last summer; so much time and effort has gone into the dance routines, producing a soundtrack, staging, costumes, hair and make-up, and a wonderful group of dedicated parents has been working hard behind the scenes, too. With us being all ready to go, having practised and prepared to the deadline, this was a bitter disappointment for children, staff and parents. The Rock Challenge team is hopeful that with a little time it will still be able to put on these events; we are keeping our fingers crossed for a probable date of 25 March. We chose the theme for this year’s production to be on mental health and working towards a healthy mind, just as we need to work on physical health; this has been very topical of late as more children than ever require support for a variety of mental health needs.

We have continued to be extremely busy with sporting events; some inter-school during the day and some extra-curricular after school and at the weekends (including sports festivals, football, penalty shoot-outs at WFC, netball, athletics and cross country). As well as getting through to finals and winning some events, what has been all-the-more impressive has been the values of perseverance and good sportsmanship shown by our children, especially when things have not been going our way.

Nursery admissions are now made directly through school rather than county. As well as getting through to finals and winning some events, what has been all-the-more impressive has been the values of perseverance and good sportsmanship shown by our children, especially when things have not been going our way.

ECO-SCHOOL UPDATE

The initiative by St Paul’s children to reach Green Flag status moved encouragingly one step closer over Christmas with them achieving a Bronze award for their work so far. After conducting an in depth environmental review they have successfully identified the topics of Transport, Energy and Litter as requiring the most urgent focus both at the school and in the local community. Over the Spring term the Eco-committee is being helped by a further thirty inspired child volunteers who make up the Green Club to deliver a number of actions aimed at improving the identified areas. One such action is the #GBSpringClean which is a national campaign run by Keep Britain Tidy. The Great Big School Clean is a part of this initiative and St Paul’s will be taking part on 22 March in an effort to win £1000. Mrs Keen, who is co-ordinating the effort, is hoping that a community endeavour could support this and will give details on how to get involved on local social media. CRIME REPORT

I was appointed Neighbourhood Officer for the areas of Kings Langley, Chipperfield, Flaunden and Bovingdon in August 2017. I have tried to be a visible presence by being on patrol as often as possible in my police areas, as I believe this is the best way to prevent crime. I am also assisted in the area by Police Community Support Officer, Bardyl ‘Bardi’ Agilili.

We have seen relatively low crime figures, although in the autumn we saw a rise in home burglaries. This took our total number of burglaries up to twelve for the whole of 2018. Police forces across the country often see burglaries increase during the winter months which is, in part, due to the days being shorter, thieves take advantage of the darker evenings. They also know that in the run up to Christmas and afterwards there are likely to be high value items within homes.

With this in mind, I would like to urge residents to re-evaluate their home security, including checking any outside lighting is working correctly, cutting back large hedges that may shield the front of houses from view and give offenders the opportunity to break into houses unnoticed, and keep any side gates shut and locked. Keep valuables out of sight from windows, keep keys out of reach of letterboxes and consider installing camera doorbells. These are just a few things that you can do to deter thieves. I am happy to visit residents to offer crime prevention advice in Chipperfield; please feel free to email me to arrange this if required. karl.diggins@herts.pnn.police.uk.

We had fifteen thefts from motor vehicles during 2018 in the Chipperfield area. Please do not leave items of value within your vehicles, not even loose change. Remember to lock your vehicle when you get out and make sure it has actually locked before walking away by checking the door handles.

I am fully aware that speeding through the village is a concern for residents and would like to assure you that road traffic offences will not be tolerated. I will continue to monitor this and deal with these offences when I see them. I am encouraged by the new speed indicator device on Tower Hill which I hope will have a positive impact and reduce the risk of accidents in the village.

Overall, Chipperfield is a very safe area in which to live and work, but please remain vigilant and report any suspicious activity as soon as possible either through the non-emergency number 101 or Crimestoppers anonymously on 0800 555 111. If you believe a crime is in progress, always dial 999.

You can also find further crime prevention advice on our website www.herts.police.uk and you may wish to sign up to our Online Watch Link (OWL) which sends policing updates and alerts to you via email. Visit www.owl.co.uk/herts PC Karl Diggins

AWARDS FOR SERVICE TO THE POPPY APPEAL

The local branch of The Royal British Legion is delighted that the following poppy collectors have received their well deserved awards.

Jane Kearney 5 years
Stephen Morrill 10 years

There are many other loyal collectors who will be due an award very soon having completed many years service. Happily they are all willing to be out again this year, through all weathers, to ensure everyone is wearing a poppy. A very big thank you to you all.

SPECIAL CHORAL SOCIETY CONCERT

At our Spring Concert we will be performing the Brahms Requiem and Mendelssohn’s ‘O for the wings of a dove’. The concert will be very special this year as it is dedicated to Alan Taylor, our much loved patron, who died at the end of last year. In Alan’s memory our other patron, Emma Bell, the world-renowned opera singer who sang with the choir in the early days of her career, has agreed to sing the soprano solos, so this will be a very special musical treat. The baritone soloist will be the very accomplished Charles Rice. The soloist in ‘O for the wings of a dove’ will be a previous winner of ‘Choirboy of the year’ so this will be another musical treat.

The concert takes place on Saturday 30 March in King’s Church, Amersham. Tickets are available now from choir members, or from the Box Office on 01923 400520. With soloists and music of this calibre tickets will sell very quickly so do buy your tickets as soon as you can so as not to miss out on this highlight of the local musical calendar.

FRIENDS OF CHIPPERFIELD COMMON

Thursday 7 March
Meet in the Pill Pond car park at 9.15am for tree thinning in the Plantation
Change is inevitable…

…but the way we respond will determine the outcome.

At the beginning of April life may change, whether we leave the EU with a deal or without a deal. However, regardless of Brexit, we all face change on a regular basis, whether it be within our families, in the village, at work, or at church.

Change will happen and is inevitable. For example, there have in our lifetimes been dramatic advances in medicine, science and technology, all invoking change for the better. Thankfully, there are many things that remain constant in all our lives.

As we move towards a future out of the EU, let us seek the greater good, not just for ourselves, but for each other. I know that my grandchildren will outlive me, God willing, but how we deal with change now will help them face their future with confidence.

Psalm 18, verse 2 says: The LORD is my rock, my fortress and my deliverer; my God is my rock, in whom I take refuge, my shield and the horn of my salvation, my stronghold.

In conclusion: the 29th of March will come and go, but God is constant and there is nothing we can do to make God love us more and there is nothing we can do to make God love us less.

Philip Waine, Reader

OUR LADY MOTHER OF THE SAVIOUR RC CHURCH

Our scripture readings follow a three year cycle, and this year the Gospel passages are taken from St Luke. It is widely understood that Luke was also the author of the Acts of the Apostles and that he was a physician of some nature. It is interesting to read how Luke frequently tells his story in a way that portrays Jesus as a ‘Compassionate Saviour’, not just for the Jewish race but also for the Gentiles. He notes how Jesus reaches out to people, especially to the poor, the marginalised, the oppressed and outcasts of society. For example, his account of Jesus meeting the widow of Nain (Luke 7: 11-17) teaches us about Jesus’ mercy to a grieving mother.

This is not the only passage in which Luke gives a special place to women, most notably seen in the events leading to Jesus’ birth, which are told largely from Mary’s point of view, bringing in Elizabeth, too. The special friendship Jesus had with disciples Martha and Mary is more developed by Luke, and we also know more about the transformed life of Mary Magdalene through his writings.

Prayer and the power of intersession are frequently emphasised, showing Jesus Himself at prayer on many occasions. A tailpiece to the Lord’s Prayer passage exhorts Jesus’ followers to pray with confidence “for everyone who asks, receives, and he who seeks, finds, and to him who knocks, it will be opened” (Luke 11:10)

Luke is also the Gospel of the Holy Spirit, not just touching on the active role the Spirit played in the Incarnation, in Jesus’ ministry and in the Church’s legacy. “How much more will the heavenly Father give the Holy Spirit to those who ask him?” (Luke 11:13).

## VOLUNTEERS CORNER

Are you able to assist with any of the following? If so, read on.

- **Village Hall** – the second Theatre Group shed. Anyone willing to apply preservative? A 14yr old will have painted the boiler house floor soon after you read this.

- **Wooden furniture and sheds in the school grounds** – could you help paint when the weather gets warmer? Or repair and strengthen storage sheds in the grounds broken open before half term?

- **Parking area opposite Queen St** – CPC and Dacorum are looking at options.

- **The red phone box** – awaiting warmer weather for the 2 who have volunteered to complete the black and gold work outside and the white inside. Cost is covered.

- **The Church Lychgate** – listed structure which would appreciate some wood preserver. Money has been provided, but who will do the work?

- **Garden Scene** – Is anyone willing to help provide and maintain the flower displays outside the Post Office this Spring? Or are we aiming for a butterfly wilderness / some bee friendly plants / that ‘Due to be demolished – whatever we build will be an improvement’ look!

**Any other ideas for work?**

THE LONDON MUSICAL THEATRE ORCHESTRA

Late in 2018 there was an item in Benefice News about the London Musical Theatre Orchestra, a charity which was started by Freddie Tapner whose family live in the village. As a charitable organisation the LMTO aims to present concerts of musical theatre repertoire to the public. It also helps singers and instrumentalists who are at music schools or starting their professional careers by giving them an opportunity to play or sing with a full orchestra of which Freddie is the conductor.

In October a group of twelve people went to see a concert performance of ‘Camelot’. A concert performance is without set design, staging or costumes although there is usually some dialogue which puts the songs in context. The whole stage is occupied by the orchestra, choir and individual soloists. There was a full house at the London Palladium and it was enjoyed enormously by the group. Although ‘Camelot’ had not been presented in London for twenty years, nevertheless, the music was familiar and added to the enjoyment.

Later we learnt that three performances of ‘A Christmas Carol’ would be given in December and several of the group decided that this was something that they would enjoy. Fourteen people got tickets, organised a coach and went to a matinee performance at the Lyceum Theatre. Although the music was not familiar, it was a stunning performance and, at times, very emotional. Scrooge was played by Griff Rhys Jones and he was superb.

Performances by the London Musical Theatre Orchestra are something of us will certainly be going to again and can be highly recommended. Look at their website LMTO.org and find out more about them and their future performances.

Tony Briselden

Chipperfield Village Hall Committee has been working very hard to update, upgrade and make the hall more user friendly; not only for its regular users but for the whole community and beyond.

We are extremely grateful for all the grants and local support we have received through our fund raising events. Why not pop in and take a look? You may be pleasantly surprised and even consider it for your next event venue.

However, we really need more help! Can you spare a few hours volunteering to sell refreshments at one of our events? Or bake a cake for us to sell? Can you help set up/close down the Hall for an event? Can you help with small repairs or the odd bit of spring cleaning to help the hall keep working efficiently?

Could you be part of our committee to help us decide how we manage the hall for the benefit of the community as a whole? Individuals, clubs, groups etc. are all welcome. Any help would be gratefully received and there are no minimums/maximums, specific dates etc. for you to worry about.

If you can spare some time, we would love to have your on our team!

CHIPPERFIELD HORTICULTURAL SOCIETY

On Wednesday 6 February we held our AGM. The Small Hall was full and extra chairs had to be found in order for everyone to be seated; the evening was a great success. The meeting was taken by our President, Valerie Briselden, and our Chairman, Sue Tyler. Thirty minutes later we settled down to listen to Wendy Bathurst talk to us about ‘Wildlife in our Gardens – friend and foe’. She made it so very interesting, from animals and insects that help us to improve and pollinate our gardens to the deadly foe of many of us, the Glis Glis! A big thank you to her for a very informative and interesting talk. The evening ended with cheese and wine and a chance to mingle and talk to friends and fellow gardening enthusiasts.

Our treasurer, Jane Whittles, will be retiring as Treasurer at the end of this year and we will need to appoint someone to take this position. No Society can function without a treasurer, so if you feel you could help, please contact us.

FOX FUN AND GAMES

My early morning walks and breakfasts are lonely affairs now that my best pal Ted has passed away. The bird feeders are always busy first thing and I keep an eye on them as I have my toast. Looking further down the garden at a winter wonderland, I spied a fox having a roll in the snow. It was not the biggest and was quite a pale colour but it seemed to be enjoying the snow. Then another one came into view, much darker in colour and much bigger. And so the game began, a bit of tag, a bit of pouncing, trying to catch an imaginary mouse. A lot of playing hard to get! Foxes mate in January and a dog fox may follow a female for a day or even two waiting for her to be ready for his advances. She was interested, they were never far apart, and for at least fifteen minutes they acted like a couple of teenagers on a first date, all in sight of my breakfast table! I hope to have a new puppy by the middle of May. The foxes may find things a bit different when a bouncy young dog is playing in the garden!

Wendy Bathurst

IN YOUR GARDEN IN MARCH

The dormant season is almost at its end and spring is well on its way. March is a busy month for gardeners and there are some things we must do.

**Flowers and shrubs.** If we are going to dig up and move existing shrubs in the garden, this must be done by the end of March before sap starts to rise. Bare root hedging plants, such as beech, hornbeam, quickthorn and privet must also be planted this month. Pot grown and container grown plants can be planted at any time but the earlier they are planted, the longer growing season they will have. Established perennials can be lifted and divided. Use bonemeal fertilizer when planting shrubs and Toprose or Vitax Q4 fertilizer thereafter. Rhododendrons, azaleas and heathers do not like bonemeal so are fed with ericaceous feeds at all times. Deadhead daffodils and apply a fertilizer and start to plant gladioli corms and lilies and summer flowering bulbs. Sow in the garden nasturtium, eschscholzia, clarkia, godetia, nigella and larkspur. Give hedges a light trim before the birds start to nest. Now is the time to hard prune twiggy dogwoods (cornus), buddleias and late flowering clematis. Canterbury bells, sweet williams, forget-me-nots and pansies can be planted.

**Vegetables and fruit.** Now is the time to sow cabbage, carrots, parsnips, peas, spinach and turnips, plus broad beans, if not already sown in the autumn. Salads, such as lettuce, radish and spring onions can be sown. Plant onion sets, shallots and Jerusalem artichokes. Add growmore fertilizer when sowing or planting. Seed potatoes that have been chitted can be planted out, especially early varieties that are to be grown for new potatoes. It is important to plant raspberry canes along with rhubarb and strawberries. Prune blueberries, plus autumn fruiting raspberries, but summer flowering raspberries are pruned in the summer after they have fruited.

**The greenhouse.** Sow busy lizzies, alyssum, lobelia, marigolds and petunias, plus tomatoes and cucumbers, aubergines, melons, French beans and peppers. Pot up plug plants and starter plants and also corms of gloxinias and begonias. If not already done, sow sweet peas but make sure mice do not get in. Take cuttings of dahlias, geraniums and pelargoniums, as soon as possible. Check for pests and diseases and ventilate if the greenhouse gets too warm; make sure that the heater works in case we get a late hard frost.

**Lawn and garden.** If wet, keep off the lawn and then start mowing with the cut set high. Spike and aerate and apply lawn sand or mosskiller. Once the moss has died it can be raked out and, should there be large patches, it may be necessary to apply fine topsoil and reseed. New turf can be laid now and turfing can continue until the weather gets too hot and dry. The pond will need to be cleaned out and the garden tidied up. Keep adding plant material to the compost heap and keep up with the weeding at all times.

**Garden events.** See page 2.

ALLOTMENTS

There are two full plots and two half plots available to rent in the village. It is a great opportunity to get some fresh air and exercise with the reward of fresh produce thrown in! If you are new to growing, there are plenty of experienced plot holders to give you advice and at £20.50 for a half plot, £41 for a full plot p.a., it is a bargain.
