It all started with an advertisement in the Chipperfield News asking for volunteers to form a committee to organise a Chipperfield Village Day. This was something that had not been done for a few years. Soon a band of intrepid enthusiasts came together from different corners of the village and met up one day in the Cricket Club not quite sure how this was going to work out and looking round at each other having on the whole never known each other and wondering, as I certainly was, “What am I doing here?”

But as the song goes ‘What a difference a day makes’ and very soon we had formed ourselves into an excellent and committed team. All had their specific roles and worked so hard to produce what was, in the end, a successful and very enjoyable day for the village.

We had fairground rides, food and drink stalls and a much needed ice cream van. St Paul’s Church put on a magnificent feast of teas and cakes and decorated the church with beautiful flower displays. The entertainment in the arena was perfect and very professional and much enjoyed by the spectators. The Morris Men? Well, what can one say, they are part of our village.

The competitive spirit of the tug-of-war had all willing on their teams but all in fun, and the performing artists added yet another great dimension to the day. There was a plethora of stalls promoting a wide range of organisations including St Paul’s PTA, Chipperfield Choral Society and Chipperfield Care to name but a few.

Sadly, the dog show had to be cancelled because of the hot weather.
PARISH COUNCIL NEWS

Parish Clerk
We are sorry to say that Carole Butcher stepped down from the position of Parish Clerk at the end of July to embark on a new adventure in her personal life. We will miss her and are sure that you will join us in wishing her the very best in her future and thank her for her dedicated service throughout her tenure. We are pleased to say that there will be no break in the services of the Council and can announce the employment of Usha Killich as the new Parish Clerk. Usha joined the Council on 30 July and has benefitted from a number of prior meetings with Carole and we thank both Carole and Usha for their time and effort ensuring a smooth handover.

Planning and Council meetings
Due to circumstances beyond our control, planning and full council meetings cannot be held in the Village Hall from September 2018. Accordingly, we have rescheduled these meetings to take place on Tuesdays in Blackwells from September onwards. Planning meetings will be held every three weeks followed by a Council meeting every six weeks. Accordingly, the next planning meeting will take place in Blackwells on Tuesday 11 September at 7:15. On 2 October a planning meeting will be followed by a full council meeting and the following planning meeting will be held on the 23 October. Notice of all future meetings will appear in Chipperfield News in the usual way.

Garden Scene feedback
Following the request for feedback we received responses from residents of twenty seven households expressing their points of view and concerns over the proposed development of Garden Scene. The overwhelming concerns were those of insufficient parking and over development of the site. These concerns were summarised, added to the Council’s own views and passed to the developer for their consideration when formulating their final plan for submission to Dacorum. Though no formal application had been made, these concerns were further discussed at our planning meeting held on 30 July. This proved to be a very lively meeting but believe that a consensus was reached for the way forward and it was agreed that the Parish Council would liaise with the local residents’ group as things develop. We await the formal application to Dacorum from the developer in the hope that changes will have been made following our feedback. There will be further opportunities to discuss the matter and express your views during the formal planning process and we thank you for your input so far.

Grants
Application forms are available on the Parish Council website using the Finance-GRANT APPLICATION FORM. Applications to be submitted to the Clerk to the Council in the Village Hall by 6 October. Applications received after this date will not be accepted. Please go to: http://www.chipperfieldparishcouncil.gov.uk/finance.html

CHIPPERFIELD HORTICULTURAL SOCIETY SUMMER SHOW

Visitors to the Village Hall on Saturday 16 June were greeted by gorgeous flowers and fragrances in the air. The stars of the show were dainty sweet peas in a variety of colours, and roses from pure white to the deepest crimson. A credit to the skills of the exhibitors who had coped with the hot sunshine, strong winds and heavy rains.

Collections of ferns and hosta leaves made a cool oasis of green on the show benches, with vases of herbaceous perennials, mixed flowers, wild flowers and grasses displaying the abundant variety of beautiful plants.

The fruit and vegetable section had seasonal juicy berries and tangy rhubarb, salad and other early summer produce. Delicious items in the domestic section included Viennese Fingers, Fruit Pavlovas and Pizzas from home bakers. Juniors gave examples of their ingenuity and involvement with recycling by making ‘something new from something old’, and an interest in nature with a selection of grasses in a jam jar.

Floral Artists made arrangements in elegant white and green, also themes of ‘Mary Mary Quite Contrary’ and ‘A Summer BBQ’, all of which were quite stunning and a pleasure to look at.

The Handicraft Section never fails to impress with entries of paintings in all mediums, crocheted items and woodwork all crafted by local artists. Photography classes of Butterfly / Butterflies, Sunset and A Flower Close Up produced many remarkable pictures and made an impressive exhibition in a very good Summer Show.

During the afternoon guests enjoyed homemade cream teas and cake, then came the prizes and trophies presented by Terry Simmonds. The auction of produce and items kindly donated by the exhibitors Thanks particularly go to John North and Peter Hurran for giving us the vast quantities of beautiful sweet peas that were bunched and sold to delighted purchasers. We also wish to thank all those people who work so hard to put on a good show, both in front and behind the scenes.

GREENSLEEVES MORRIS DANCERS
Greensleeves was founded in 1926 in Wimbledon. Since 1961 they have hosted a weekend of dance in Chipperfield which starts at 9pm on the second Friday in July when Greensleeves dance around the tree planted by them in memory of Leslie Nichols, former Squire. Their distinctive dress consists of white shirts, black breeches and red belt, white socks and black shoes. They wear green baldrics with red and black rosettes. Full members wear green arm bands, earned after performing a solo jig in public.
Every year Greensleeves invite other Morris sides to join them and this year Chipperfield enjoyed the distinctive dancing of the Dolphin Morris Men of Nottingham and East Surrey Morris Men. Having feasted in the Village Hall and staying both there and in St Paul’s Parish Room their weekend ends by the gift of an outdoor service on Sunday morning – you might have joined in. We sing suitable hymns, celebrate the Lord through dance and music and the Morris generally provide refreshments after the service before a virtuoso display of dancing in the Car Park and then leading the way to the Windmill Pub for a final celebration of their dance.
Thank you so much, Greensleeves, for continuing to celebrate with us.

TEENIE CLUB
On Sunday 17 June Chipperfield Tennis Club held its annual Creations Tournament. Twenty four players played in the morning groups leading to a variety of mixed pairings for the knock-out stages.

The Plate competition was won by Jane Thompson and Malcolm Leach beating Alison Williams and Tom Hyatt. **OUR LADY MOTHER OF THE SAVIOUR RC CHURCH**

Regular readers will recall our excitement that built in anticipation of the July visit by Cardinal Vincent Nichols to formally consecrate our church in its thirtieth year. With the glorious summer weather assisting, the occasion fully lived up to expectations. The Cardinal, who told us at the outset, “I have done quite a few of these, but for most of you it is very likely you will only witness this most beautiful and solemn ceremony of the Church once”, led us through the service with gentle explanations of the symbolism of the various rituals. It was most moving, full of spiritual meaning, ending with the Cardinal unveiling plaques to the memory of the day and of our first Parish Priest, Fr Des Cantwell.

We weren’t done! A lovely celebration lunch in St Paul’s School followed, where parishioners old and new, young and old, enjoyed some social relaxation. Several parishioners from thirty years ago were there, as was a most welcome Cantwell family group. The Cardinal joined us, taking an opportunity to chat with parishioners and guests. Of course there was a celebration cake too. All in all, a wonderful day.

The Cardinal is in much brighter limelight for a different reason this month. He will be leading a National Eucharistic Congress – titled ‘Adoremus’ - in the Liverpool Echo Arena from 7-9 September. This gathering of clergy, religious and laity is to promote awareness of the central place of the Eucharist in the life and mission of the Church. A wide ranging programme of presentations and discussion seminars will intersperse the formal services.

John’s ‘Book of Signs’, source of our current Sunday Gospel readings, reminds us that, “I am the Bread of Life” is a central aspect of our Christian faith.

**ST PAUL’S AND HOLY CROSS**

Last Autumn I was asked would I like to be one of the two church wardens at St Paul’s and my immediate response was an excited yes. This, however, was followed by a growing feeling of unease as I work full time in a pressured job, have three children and three dogs and time is my biggest problem.

With an ageing congregation and a lifestyle for many where everyone is incredibly busy, it was soon apparent that the role was not a popular one and competition for the role was non-existent.

Sharing my concerns with the other members of St Paul’s and, at the same time, taking on the challenge, has shown that ‘honesty is the best policy’ as the amount of people who have helped with the role and take no public credit has been very humbling.

There have been unexpected bonuses. For example, on one particular week when I was feeling exceptionally tired and stressed I had to attend a service at St Alban’s Cathedral as part of my role. I was dreading finding somewhere to park and finding exactly where to go when I knew it would be a rush to get there. As the day drew closer I started to think that the role was not for me as my life would be considerably easier if I did not do it.

*St Paul’s and Holy Cross continued*

Then an offer of a lift from Lynda and Nikki Clough, who are church wardens at Holy Cross, came through to which I felt enormous relief and before I knew it we were all at St Albans’ Cathedral attending an evening service and renewing our commitment to our roles. Something very special then happened, the singing and atmosphere along with the words of encouragement that were given to us, made my stressed shoulders relax and my mind felt clear and a wonderful feeling of peace and joy came over me. This then lasted for several weeks enabling me to enjoy my role at church and work more than I had for a while.

Being church warden has brought God much closer to me and without God in my life as a constant support I know that I would suffer far more from the anxiety and stress that seems so prevalent today to so many people.

**ROYAL BRITISH LEGION CHIPPERSFIELD AND BOVINGDON SUB-BRANCH**

Under the shade of the RBL gazebo, we raised £134 at the Bovingdon Church Fete and a further £125 at the Chipperfield Village Day for the Poppy Appeal. With thanks to Mary Nobbs, we displayed the life stories of those in Chipperfield who lost their lives in the First World War. A ‘silent soldier’ proudly stood alongside.

We will be holding two events in Bovingdon to commemorate the 100th anniversary of the end of WW1. On 12 October, 2pm, a parade led by the school, and on 13 October, a programme of entertainment and supper, details nearer the time. On 3 November, we will be out on the common with our collection buckets at the Chipperfield fireworks display.

The annual poppy appeal collection will commence at the end of October and will include a good supply of the 2018 dated pins and a larger pin to commemorate the 100th anniversary. This will conclude on 11 November with the Armistice service in both villages. Whilst the number of military personnel killed in action continues to decrease, there are still many others, and their families, who require ongoing support as a result of their wounds and injuries which occurred in earlier campaigns. Please support them generously.

CHIPPERFIELD FOOTBALL

There has been a lot going on at Queen Street. A massive project was acquiring the freehold of the Queen Street pitch; this was achieved and is possibly the most significant development in over 100 years of football in Chipperfield. From now we are in charge of our own destiny! There has also been the addition of an all access toilet, thanks to the Parish Council.

There has also been the addition of an all-weather pitch at Queen Street. Come along and see how we work within the community, a welcoming environment for all parents, spectators and players, with the bacon butties a must. New players welcome.

Your Help

In May we said a farewell to David Dyment, our groundsman. Thanks Dave for many years faithful and loyal service. There is now an opportunity for anyone who has a few hours to spare who can help with work on the pitch, full training is given. Running our clubs requires commitment but is very rewarding; there are lots of opportunities to get involved. If you are interested in learning more about how please contact Martyn or Clive.

Save the Date

On Saturday 9 September, the Youth section is hosting a Family Day. Exhibitions, friendly matches by all our age groups with activities, BBQ and inflatables, all welcome. If you can help please contact us.

A BARNSTORMING CONCERT

Singers belonging to St Paul’s and Holy Cross church choirs came together with other enthusiastic singers from several local organisations in another splendid summer concert on July 22 in the Manor House Barn. The programme, most effectively accompanied by a small orchestra, drew upon the vast repertoire of famous songs written during and between the two tragic world wars, marked in particular the 100th anniversary of the end of the First World War. As top of the bill the concert featured a superb ensemble (including Rosie Clifford) known as ‘The Leading Ladies’. The three singers and their accompanist were identically dressed in blue polka dot dresses to perform a host of sophisticated close-harmony of classic songs ranging across the whole period by such as Gershwin and Arlen. Versatile pianist Louisa Lam also played within the orchestra. The programme was introduced entertainingly by Anthony Lewis who also delivered an extract from one of Churchhill’s most moving war-time speeches. Alex Haigh and Arthur Tanner sung timeless numbers such as ‘Stormy Weather’ and ‘Who Do You Think You Are Kidding, Mr Hitler?’ The orchestra (leader, Jane Faulkner) was conducted by Keith Beniston who had devised a series of new orchestral arrangements especially for the occasion. Two famous marches, ‘Imperial Echoes’ and ‘The Dambusters’ were played by the orchestra in its own right, and in contrast, with more subdued tones, Cole Porter’s, ‘In the still of the night.’ The sell-out audience was able to enjoy a cooling glass of wine and, by kind courtesy of the Tanner family, a gentle amble through the magnificent Manor House gardens during the interval.

SEPTEMBER IN YOUR GARDEN

It has been a very hard year for gardeners. Months of hot dry weather have kept us watering our most precious plants while the rest have had to take their chances. With a little rain at the beginning of August, the nice brown lawns have started to turn green again but the weeds have started to grow with great speed.

The flower garden. It is time to start planting spring flowering bulbs. Hyacinths, crocus, alliums, and early flowering tulips can be planted in the garden but it is too early to plant tulips and daffodils. There are hosts of small bulbs suitable for alpine beds, troughs and containers. These include crocus species, erythroniums, iris, scilla, grape hyacinths, pushkinia, ixia and snowdrops. As soon as possible plant up bowls of hyacinths using prepared bulbs for Christmas flowering. Keep up with dead heading, feeding and watering. Spray roses regularly against pests and diseases and at the same time spray hollyhocks against rust using Roseclear spray. This month is a good time to plant container grown shrubs, conifers, herbaceous plants, climbers and alpines. Bedding plants, such as pansies, viola and mini cyclamen are ready for planting in the garden, containers and in winter hanging baskets.

Fruit and vegetables. Harvest potatoes and rootcrops; marrow and courgettes must be cut before the frosts arrive. Hang up the onions to dry off. Plant spring cabbage, savoys, broccoli and leeks. Keep sowing herbs and winter salads but protect from frost with garden fleece. Cabbage white butterflies are still active, so remove their caterpillars regularly from brassicas. Early onion sets and garlic bulbs can be planted soon. Start to harvest apples and pears, blackberries and autumn fruiting raspberries and prune cane fruit after harvesting. Apply greasebands to the trunks of fruit trees.

The greenhouse. As soon as crops have finished, get to work cleaning the glass and scrubbing the benches and paths. Use Jeyes fluid as a disinfectant. Traditionally, empty greenhouses were fumigated using sulphur candles but these have been discontinued. Once the greenhouse has had its ‘spring clean’, start bringing in the tender perennials, such as geraniums, and start taking cuttings. Check that the heater is working and insulate the greenhouse with bubble plastic.

Lawn and garden. Carry on cutting the grass well into the autumn. Later this month, rake, scarify and aerate the lawn and apply a low nitrogen fertilizer to build up the grass ready for the winter. Apply topsoil and seed any bare patches. New grass areas can be sown and turf should be available to put down shortly. Clean out the pond, cut down any herbaceous plants which are totally over, trim hedges and cut back shrubs, as necessary. All the leaves and clippings can go on to the compost heap adding a little Garotta powder to speed up the rotting process.

Garden events. Chipperfield has its Autumn Show on 15 September. Sarratt and Bovingdon have theirs on 8 September. The RHS Wisley Flower Show is from 4 – 9 September and the Malvern Autumn Show is on 29 and 30 September. The garden at Huntsmoor, Stoney Lane, Bushfield Road, Bovingdon is open 2 September.

HOT NIGHTS

This long hot dry summer is taking its toll on everything. I have only seen a hedgehog on one occasion this year, so hearing a lot of scuffling in the dead leaves under my bedroom window at 2 in the morning I had to get up and have a look. As I leaned out of the window the scuffling turned to crunching as quite a few snails were found under the Euonymus. This critter was a very noisy eater, but doing good work for my garden! I expected a pointed nose and a lot of spines to appear, but in the moonlight I saw a black and white snout as a small badger came out from under the bush! It made its way through the rest of the border and found quite a few more snails before trotting off down the drive. A sight well worth getting out of bed for!

Badgers will eat almost anything; they love my pears and break off low branches on my bush type trees to get them, but earth worms make up a large part of their diet. The dry weather has made the worms go deeper and with the ground so hard the badgers, along with lots of other creatures, are having a tough time. The next night I was once again disturbed by crunching and rustling, but this was followed by squealing and what I think was very bad badger language. Looking out of the window there were two badgers, one quite a bit bigger than the other, having a tussle over the feeding ground. The small one was soon driven off and the bigger one went under the bush. This time there was only one mouthful to be had and he soon went off down the path. The little one had had the best pickings the night before!

My big ponds have been a real lifeline for all sorts of creatures, I love to see the swallows taking a drink on the wing from my swimming pond, but the pebble beach at the front of my wildlife pond makes for safe and easy access for everything, large or small. It’s not just the wildlife that has enjoyed the water; I don’t know how I would manage without a cooling dip!
