

## Clean up the Planet, one toothbrush at a time....

Do you know it's now easy to recycle some awkward items we all use?

St Paul's Church has provided boxes covering these categories - see photos. These are temporary whilst we see how much interest there is. Should they continue to be used as much as they already are, then we'll replace them with formal containers. The stuff we're currently collecting is being transferred to these bigger boxes for recycling.

St Paul's is heading this initiative for the Village as part of our efforts to reduce our own environmental footprint. You will see at the back of the Church that we've already been awarded the Bronze Certificate for an ECO Church. There's a lot more to be done to achieve the next levels and we hope some of the initiatives will directly benefit the entire Community, as with this recycling.

The boxes are currently at the back of the church so you can deposit clean, dry, sorted items at any time when the Church is open.

## Margaret Frances Prestwich

16 February 1935  
- 6 February 2023

Maggie was the younger of two sisters who grew up in

North Harrow. Her mother was French and, as children, they spent the long summer holidays in Cannes in the south of France with their aunts, uncles and cousins. In her early 20s Maggie went to Canada with her friend, Helen, and they spent 20 months working and travelling in Canada and visiting the USA. On her return at the age of 24 she worked at the Royal Free Hospital as an occupational therapist where she met John. In December 1971 they were married in St Paul's Church, Chipperfield, and spent many happy years at Breeze Cottage.

Maggie loved all wildlife in her garden and fed everything that appeared on her terrace, including stray cats.

Maggie and John enjoyed days out; a particular interest was watching polo. She enjoyed having her nieces and nephews visit and having lunch with them at the Windmill pub in the village. She also enjoyed horse riding with friends. She was a frequent organist at Elmfield Church in Pinner where she met up with her family.

Maggie's niece, Denise, says, "Her devotion to John was remarkable and selfless. She once remarked that they were two parts of an egg coming together. She is now reunited with the love of her life and that egg is now back together again".

*Denise Stevens, niece.*

After John died friends in Scatterdells Lane supported Maggie by inviting her to coffee mornings, afternoon tea and a walk on Fridays. She kept quite busy corresponding with friends and family on her computer.

Brian Morrison, the owner at the time of The Royal Berkshire Polo Club, admired John. He created 'The John Prestwich Cup'. Maggie was invited each year, together with a group of friends or family, to watch a Polo match. Then Maggie would present the Cup to the winning team. A really nice afternoon.

*Sallie Collins*

Many thanks to Pat Smith and her helpers who provided us with a free delicious roast lamb dinner on Palm Sunday, in the Parish room, complete with excellent wine, coffee and chocolates.

Maggie's wish was that any donations at her Memorial Service should be used to fund 'Lunch on Sunday' where she had enjoyed many such occasions herself.

Phil Waine said grace and a few words about Maggie at the start of the meal.

Thanks again to everyone involved.

*Stephanie Pattinson*

## The Village Hall

hosted its first quiz night since the pandemic on March 25th when ten tables battled it out to

become brains of Chipperfield.

It all came down to a tie break question to decide who took home the chocolate bunnies as top prize whilst a game of heads and tails and a well supported raffle all made for an enjoyable evening and boosted the funds for the Hall to continue our on-going maintenance programme.

Many thanks to all who helped to make it such an enjoyable time and to those who came along to support it. **We hope to host another quiz towards the end of the year, probably in late October or early December, so watch this space!**

*James Bush*

## Awards for Poppy Appeal Collectors

The Royal British Legion recognises the hard work and time put in by volunteers and say that "without our much valued volunteers and donors we could not continue the work that we do". In recognition of this, they make awards on a time basis to individuals. Certificates of Appreciation are also awarded to corporate organisations, schools, churches and other organisations that show consistent support for the Appeal over a number of years.

Volunteers in Chipperfield have received many awards and now the latest ones have just been awarded to the following:-

**Doreen Durrant** and **John Utley** for 35 years (*they have a bar to attach to their previously awarded badges*); **Doris Yates** for 30 years, she has received a badge to which she will be able to attach a bar in years to come! Certificates of Appreciation have been awarded to **Mark Jarrad** for 20 years and to **Andy Coote** for 5 years. In the village **St Paul's School** (40 years), the **Windmill pub** (40 years) and **Blackwell's** (15 years) have all received Certificates of Appreciation.

Thank you all for your huge effort, enthusiasm and support.

*Sue Walker, Poppy Appeal Organiser*

**CHIPPERFIELD CARE** is a group of volunteers who have got together to help those who are unable to find their own transport to essential appointments such as hospitals, doctors, dentists, medical clinics, fortnightly Sainsbury's shop etc.

If you are having problems getting to these, and are unable to use public transport or ask family for help, please call our **Help Line on 01923 264700 - 9.30am - 12.30pm** on weekdays, and we will do our very best to help.

## Dovizhdane Yovi

**Yovi (of Yovi's Kitchen) came to England 13 years ago as a trained chef, and after graduating she worked as a Food Safety and Health and Safety Officer.**

In 2019 she set up Yovi's Kitchen in our village, healthy meals cooked in her commercial kitchen for home delivery; a few months later along came Covid which increased demand for home

deliveries. Yovi and Ellis set up an Outreach Team, had 1,000 leaflets printed and, with some volunteers, delivered to all of Chipperfield in one evening. Demand grew rapidly and after contact from Mark Jarrad and Phil Waine, Yovi, Ellis and their 40 helpers linked in with Chipp Care.

Their next idea was the free freshly baked bread and hot soup deliveries, especially to people living on their own - who enjoyed a chat on the doorstep almost as much as the soup and bread. They also made a Tuesday and Thursday run to the pharmacy in Kings Langley to collect the medicines for addresses in the Chipperfield area. As the restrictions on leaving home were lifted, so the demand for soup and meals reduced and people were establishing their own support networks.

And then Ukraine was invaded. Yovi's hometown in Bulgaria where her parents live is 20 miles from the Romanian frontier and 300 from Odessa and western Ukraine; those fleeing reached the Romanian-Bulgarian border in their hundreds and, while there was international aid in Romania to help them, there was nothing set up in Bulgaria. *"No winter clothes, no*

*food, and no money"*, Yovi heard from her mother - and so she began collecting here. Money, food, clothes, 90% sourced in Chipperfield. Colin, her partner, with the help of family and friends sourced special clothing and body armour for 6 Ukrainians leaving London to fight for their country; the aim being to keep them as safe as possible.

In April last year Yovi received a Facebook message - could she find accommodation locally for two Ukrainian boys and their mothers who had arrived at Stanstead to find that their intended housing arrangements had collapsed. She found spaces in Commonwood. Communicating in Russian, she took them shopping, helped them open bank accounts and got them residence permits. From then on Yovi and Colin provided continuing help.

On 1st February this year they went back to Bulgaria and got married. They also decided to make their home there. In this week before Easter they are packing their belongings, ready for the 1,800 mile drive. But they promise to return and see us. Yovi said "I love the village and the people here dearly, I shall miss the beautiful woods and our friends. Thank God for technology, we can keep in touch!"

**Yovi and Colin leave you with this parting gift - learn how to use the app What3Words to pinpoint your front door (there is also a website [www.what3words.com](http://www.what3words.com)). Yovi had an experience where emergency services could not find her and a man in trouble when time was crucial. This app saved the man's life! What3Words is also used by delivery companies, as well as the emergency services who can find you even in a field. Test yourself - [diary.areas.cared](http://diary.areas.cared) - what would you put in that box? Can't find it? Ask a techy youngster for help and it might save your life, or your food while still hot!**

Goodbye Yovi and Colin, and thank you for all you have done to help everyone.

*Stephen Morrill*

## Victor Anthony Archer

**6 February 1944  
- 23 February 2023**

**Vic was born in Wembley to parents Maud and Fred Archer. He tragically lost both his older brother, Michael, at the age of nine and just two years later, his mum. Raised by his father he attended Harrow County School for Boys and after leaving school**

**began a career with Nat West Bank.**

Married on 19 February 1966 at Kenton Baptist Church, he was blessed with two children, Antony and Michelle in 1970 and 1972.

Having worked in numerous Nat West branches in London for over thirty years, he took early retirement at the age of 51. He lived in Chipperfield for over forty years.

His interests and hobbies were stamp and coin collecting but, most of all, playing bridge. He partnered up with a bank

friend playing in various bank leagues then, latterly, travelled to different parts of the UK playing his beloved game. He also joined a club in Leverstock Green Catholic Church where Doris and Bill Yates played.

He later became treasurer of Chipperfield Care and enjoyed 'balancing the books'.

Money, investments and numbers were always of interest to him so he set up his own book keeping business, managing the books and much more for a few fairly local companies.

Despite ill health, he was determined to reach his next birthday - 79 which he did recently. The next milestone was 57 years of marriage - reached just days before his peaceful passing in the comfort of his own home.

A loving husband, father, grandfather, uncle, great uncle, cousin, brother-in-law and loyal friend, Vic will be remembered as a kind and generous man, who always made you feel welcome with his warm and jovial nature.

He will be missed by all whose lives were privileged to have been touched by his.

## Chipperfield Tennis Club Update

Tennis is back in full swing and the Club is looking forward to plenty of opportunities for competitive and social tennis; so lots of fun and exercise over the course of the summer.

With our coach, **David Gray**, we have been able to increase the number of coaching sessions, e.g. Rusty Rackets has just been added - aimed at beginners/anyone who wants to get back into playing tennis (see our new website for details of all courses and membership):

<https://clubspark.lta.org.uk/chipperfieldtennisclub/>  
Children's coaching takes place every Saturday morning and tennis camps are being planned. In addition, the Club runs Social Tennis on a Thursday evening and on the last Sunday of each month. This year we have entered both Ladies and Mens Teams for the Hertfordshire Hot Rackets. We have Mens, Ladies and Mixed Doubles tournaments running during the summer and a Mixed Singles Box League throughout the year. So, if you enjoy tennis, hopefully we have something for everyone in the village, no matter what your standard is! We are currently accepting new members; please see the website.

In June, we are looking forward to the installation of LED floodlights to the front court and upgrading the lights on the back court; this will significantly increase the opportunity to play tennis throughout the year. We are very grateful for the support of the Parish Council, Dacorum BC and Blackwell's Trustees in making this all possible.

*Alan Rees, CTC Chair*

## Chipperfield Indoor Bowls Club

We could tell that Spring was on its way as many of our indoor bowlers started looking forward to bowling outdoors again. Nonetheless, most will stay with us until the end of April to finish off our indoor bowls season. Not all our new members who joined last October found indoor bowling was for them, but those who persevered are settling in well and we have enjoyed watching their skill improve.

Many thanks to those members helping with newcomer tuition which has resulted in them being in good shape for competing in our Pairs Competition next season.

**Terry Timberlake** has expertly managed our current Pairs competition through the usual difficulties caused by bad weather, holidays and illness. Although not yet completed, we have seen some first class bowling in tight games and we confidently expect the final to be held before the end of April, in time for the trophies to be presented at our Annual Presentation Dinner in early May.

**ST PAUL'S AND HOLY CROSS**

**Messy Church was started in the UK in 2004** in an Anglican church near Portsmouth and has grown into an international movement covering a wide range of Christian denominations and traditions. Messy church is open to all ages, young and old, and combines learning about Jesus by lively worship songs, prayers and bible teachings reinforced with imaginative and engaging crafts.

Why is it called Messy church? I quote, "We are all messy, our lives are not perfect, our families and children are not perfect and we believe the best space for God to deal with us in our messiness and disorder is in Church".

St Paul's and Holy Cross now jointly run Messy Church at least once during a school term, usually to celebrate a seasonal Christian theme. The children are all accompanied by a parent or

carer. It is held alternately in the Parish Room and Sarratt Village Hall from noon until 1.30pm.

A small team of creative volunteers put together three or four tables of craft work. With the help of the volunteers and their parents/carers the children are soon absorbed in using their imagination. At the last meeting the children were helped to make their own Easter garden and to make Easter cards. The theme was 'Jesus is Alive' and a huge banner was painted by the children saying 'Jesus is Alive'. Other sessions have been about looking at God's creation and how we can do our part in looking after it, understanding God's love for us and how he wants us to live and behave to show that love to others. Finally, everyone sits down together to share and enjoy a hot lunch.

Do please look out for the date of the next Messy Church and come along; you do not have to bring a child with you. Come to enjoy the creativity and the friendship.

**OUR LADY MOTHER OF THE SAVIOUR RC CHURCH**

May is often associated with rebirth and new life, making it one of the most optimistic months of the year. We think of positive phrases such as 'you are as welcome as the flowers in May' and 'in the merry month of May.' The warmth and fragrances this month are a rejuvenating force, aren't they?

The church celebrates two uplifting feasts in May. Ascension Day on May 18th and Pentecost on May 28th. The Lord's Ascension, took place forty days after the Resurrection. The readings today describe the amazing event witnessed by the apostles. The Lord was taken up to Heaven to be at 'God's right hand.' His words to the apostles were 'and know that I am with you for all time' (Matthew 20:20). God had adopted a human body and nature in Jesus but by being human he was restricted in that he could only be in one place at any one time. He could only teach and care for those who were physically present there. Yet God's mission was to all people everywhere. No internet, TV or mobile phones back then. To deliver this, therefore, Jesus physically left this world but at the same time remained present by his Holy Spirit in and with his disciples and followers. He was no longer limited by earthly conditions.

Pentecost Sunday recounts the outpouring by the Holy Spirit on the apostles and Our Lady ten days after the Ascension of Jesus where they had gathered and prayed. This is traditionally

considered the beginning of the Church, the birthday of the Church. In the readings for the day, we hear the extraordinary events of that first Pentecost. We see the effects that the Holy Spirit had on the life of the infant Church and in the lives of the apostles. They had a remarkable transformation - no longer fearful, but full of courage and eagerness, they went into the streets and told everyone about Christ, his teaching and what he had accomplished through his life, death and resurrection. We read how people of all nations and languages understood them. We, too, as followers of Christ, have been given a specific directive, namely, to carry his love and his message of salvation throughout the world. He calls us to be his hands, and feet, and voice. I am sure we all feel completely unworthy of the task (I know I struggle to write these articles!) but on the feast of Pentecost we ask for help as we say in our Gospel acclamation: "Come Holy Spirit, fill the hearts of your faithful and kindle in them the fire of your love".

This year for the first time in 70 years we have a new monarch. The Coronation of King Charles III will take place on Saturday May 6th at Westminster Abbey, in a service rich with tradition and full of Christian symbols and values. May God bless His Majesty the King's and Her Majesty the Queen's reign.

**PINTS OF VIEW:****Monday 22 May, 8pm**

Migration is again high on the political agenda.

Stopping channel crossing in small boats, processing in Rwanda, losing junior doctors to better conditions in Australia, competition for the best international researchers and many other examples of migration issues just in the UK.

**What solutions are there to this global problem?**

One approach is investing in developing countries to reduce the numbers trying to migrate but there are many other potential solutions.

**Can POV provide some unique perspectives?**

Andy Coote will try to lead us through this complex problem at Pints of View on Monday 22 May. Everyone welcome.

What a time to be out on the common and in the woods! Today as I type this just before Easter, the sun is shining, the air is warm and it is definitely a time to be outside and not in front of a computer. Usual advice, do wear suitable boots and gloves and bring along a waterproof in case those April showers linger into May. Bring your own familiar saws, etc., if you wish. Tea/coffee/biscuits will be provided as always which provide a very welcome opportunity to sit on a tree stump and chat.

## Spring Fever

It's that time of year again; the garden is a blaze of yellow daffodils and little lambs are skipping about. There are lots of different kinds of narcissus in the garden but my favourites are the little native ones that grow in the sheep paddocks.

I think they must have liked the grass being grazed really short last summer; I guess the bulbs got more sun, and this year there are more blooms than ever before. The only down side is for some reason this lot of sheep like to eat the blooms! When I kept Shetland sheep they would eat the leaves and flowers and the next lot of cross breeds never touched them. This lot are very discerning; they gently pluck off the flower heads, if they get a chance. I am having to use a lot of electric fencing to keep everyone happy and my flowers safe.

Dilly, the bigger of my two ewes, lambed first, producing two little rams. She is the Beyoncé of the sheep world and has plenty of milk for her little mischiefs. Daisy had her twins, one of each, three days later. She is more like Twiggy and hers were smaller and for the first couple of days seemed to spend much longer feeding than Dilly's. I got worried that they weren't getting enough and tried to give them a bit extra from a bottle but they would hardly take any. They are doing OK; it just seems they have to work a bit harder to get their fill. Today Dilly's pair have been racing about and jumping on and off a tree stump, taking no notice of their mum when she called them. Daisy's had to learn about electric fencing; it's only a little tickle but enough to make them jump. I never count my lambs too soon; I worry about them until they are a month old, but so far so good, fingers crossed and touch wood!

## HEMEL HEMPSTEAD LOCAL GROUP

Since we started our monthly meetings in December at the Chipperfield Village Hall, they have been very well attended. It is gratifying that they have again included many from the Chipperfield, Bovington and Chorleywood communities.

Meetings are normally held on the first Monday of each month, featuring a natural history talk and not necessarily just about birds. The next meeting will be held on **Monday 8 May**. Doors open at **7.15pm** for a **7.45pm** start, finishing at 9.45pm. We will have a few short talks by our members, as well as a short AGM. As usual,

there will be refreshments and a raffle, with displays of members' photographs, local news, and other activities.

So, please come along and/or visit our website at [www.rspb.org.uk/groups/hemelhempestead](http://www.rspb.org.uk/groups/hemelhempestead) or contact Mary on 01442 264752.

We also arrange monthly car sharing outings, with coach trips to the more distant reserves.

For outing details, contact Axel on 01442 257856.

We look forward to seeing you again at our monthly meetings.

## Chipperfield Horticultural Society

It was great to welcome members and visitors to our successful Spring Show on 18 March. Congratulations to Sue Tyler, our Spring Champion, and Runner-Up Catherine Percy. Highlights included miniature daffodils, floral art displays and the domestic, handicrafts, photography and junior classes.

Our next Show takes place on **Saturday 17 June** with sweet peas and roses, the stars of the show.

Before that on **16 May at 19.30 in the Parish Room**, Maria Coote will talk to us about **Companion Planting**, followed by refreshments and an opportunity to socialise.

Our main talk of the year took place on **4 April**. Approx eighty

CHS members and non-members enjoyed a lovely evening in the **Parish Room** listening to **Christine Walkden** talk through her career as a Horticulturist. Starting with her humble beginnings in Accrington, Christine regaled us with many humorous anecdotes of how she fell in love with gardening at an early age. By the age of fourteen she had six allotment plots near her home and was making a sizeable profit from selling her produce to all comers whilst still a teenager. Christine has held a number of interesting roles/positions across the Horticultural industry, from seed merchant right up to having her own shows on the BBC.

Please let us know if you have suggestions for future speakers.
