Chipperfield NEWS

Issue 350

July / August 2023

www.chipperfield.org.uk

Clean up the Planet, one toothbrush at a time....

Do you know it's easy to recycle some awkward items we all use?

We are delighted to report that the boxes at the back of the church are still being used. It would seem everyone in Chipperfield is popping pills! Thank you so much for bringing in the pill blister packs together with toothbrushes, toothpaste tubes and pens. We will continue to empty and pass on the contents during the summer months for recycling.

To repeat what we said in the May edition of Chipperfield News, St Paul's is heading this initiative for the Village as part of our efforts to reduce our own environmental footprint. You

will see at the back of the Church that we've already been awarded the Bronze Certificate for an ECO Church. There's a lot more to be done to achieve the next levels and we hope some of the initiatives will directly benefit the entire Community, as with this recycling.

The boxes are currently at the back of the church so you can deposit clean, dry, sorted items at any time when the church is open; 10am - 4pm every day.

St Paul's Coronation Tea Party

We had a very enjoyable Coronation afternoon tea at St Paul's School on Thursday 4th May.

I was able to take along six Chipperfield Care clients and we were treated to a tea of home-made sandwiches, scones and cakes. Naturally we were served by year 6 pupils who were extremely attentive with the supply of drinks. We all thoroughly enjoyed our afternoon with the pupils and also the entertainment they provided.

On behalf of Chipperfield Care we all wish Caroline a very peaceful and enjoyable retirement.

Patricia Harrison

Weekend of Classical Delights

To round off its Coronation celebration, Chipperfield was treated to two excellent concerts on 20 and 21 May. St Paul's Church played host to the **Bowfiddle Players** on Sunday evening in a programme including two double violin concertos (Vivaldi and Bach, with soloists **Rebecca and Miffy Hirsch**) plus Bach's Brandenburg Concerto no 3 and Air on the G string, and Mozart Divertimento No.1. These were all regular concert pieces, but to signify that this was a British coronation, we also heard Purcell's Rondeau (on which Britten's famous variations was based), Elgar's Serenade for strings, Holst's St Paul's suite and Karl Jenkins' Paladio, all topped off with Piazzola's Libertango - a fantastic programme, surely including everyone's favourites. Bowfiddle is a group of professional string players, including some local celebrities, who have played in a glittering array of venues (including Buckingham Palace) and who perform to the highest standards, but without the need of a conductor—emphasising the chamber music nature of their repertoire. The evening was packed with delights and the performances truly inspiring.

And to launch the musical weekend, on Saturday afternoon **Yasmin Strevens-Chen** gave a solo recital in the Parish Room, accompanied by the piano of **Winnie Wu**, both performers having family connections from Hong Kong and China and both having studied at the Royal Academy of Music. Their programme started with the Allemande from Bach's solo partita No 2 followed by Greig's popular Sonata No 3, a work full of drama and melody, and Reverie by the English composer Angela Morley. To conclude the recital Yasmin played the solo and fearsomely difficult Zigeunerweisen (Gypsy airs) of Pablo Sarasate. Yasmin clearly has a brilliant solo career ahead of her and we were fortunate to host her recital.

John Uff

Fun morning at St Paul's

We enjoyed a busy half term morning at St Paul's Church with plenty of activities for children of all ages. At the back of the church were toys, books, dolls and a barbie campervan which went down extremely well with my children. In the Parish Room was a selection of crafts which kept the children busy for the rest of the morning; painting, badge making, as well as lots of colouring and puzzles and word searches. My children were fully occupied for the entire time, especially as there was a wide array of cakes on offer to keep up all our energy levels, particularly appreciated by adults who were flagging towards the end of the half term week. Unfortunately the weather wasn't warm enough for the usual picnic outside on the common but the morning was hugely enjoyed by all and is suitable for a wide range of ages. (My children are 2, 4 and 7).

Antonia Hotchkiss

Luke Varney - our New Head at St Paul's

Sitting under the umbrella at Blackwell's with a can of tango and a latte, I have in front of me Luke Varney, the new Head Teacher for St Paul's School. Luke grew up in St Albans but now calls Hemel his home where he lives with his partner Claire; she is Head Teacher at a Junior School in St Albans. A Frocker called Paul (NO! - a French Bulldog crossed with a Cocker Spaniel!) is the third member of the family and they can be found at weekends walking in Chipperfield Woods - so they know Chipperfield well.

Luke always knew he wanted to teach, inspired by his own teacher, Mrs Taylor; his Mum and sister both went into education. It wasn't until secondary school that he realised that it was in a junior school that he wanted to work. He now has twelve years of teaching experience and has been in his last post (Deputy Head at London Colney and teaching Year 6) for six and half years, equipping children for the next step in their education, and preparing them for the next stages in life. Like our current Head, Caroline Moore, he loves teaching and hopes to keep his hand in when at St Paul's.

Rocking his vans, he is a very approachable young man with an excited stance, looking forward to starting at our very special school. He realises the massive undertaking of being the new 'guy', but doubling the number of male teachers in the school is exciting to say the least; Mr Fanshaw will never feel lonely again!

London Colney and Chipperfield both take in just thirty new pupils

each year which he likes as he feels that he can get to know the whole school. He has big shoes to fill and will be the new kid on the block, but the school has a great atmosphere, something he felt as soon as he walked in. As a 'Drama Llama' (my phrase not his - he studied Drama at GCSE and 'A' level) our round hall gave him Globe Theatre vibes and he felt at home straight away.

He was really reassured by the premises, by the staff and also by such a large active Governing Body. He is looking forward to working with everyone and his door will always be open as communication in the workplace is paramount. Wellbeing and personal development for all are foremost in his mind, but the Pupil Council questioning on interview day was intense,

"Do you like doughnuts?". Of course Luke likes doughnuts, so he got the job! (Ed: I'm sure there was more to it than that!!)

Luke mentioned innovation, talking excitedly about his role. I-Pads for Year 6 pupils, equipping the children to take on absolutely any challenge, theatre trips, Harry Potter, Marvel, the Mandalorian, we could have been talking for ever. He is open and warm, promising to look at all aspects of school life, and working to feel part of a great team and village community.

I feel Luke will certainly 'love to learn and learn to love' St Paul's as much as we do; welcome to our school, it will be amazing to have you with us.

Annabel Heathcote

Chipperfield Corinthians Football Club

The season came to a thrilling conclusion with the First Team being tantalisingly close to lifting the Herts County Premier Division for the first time since 1977/1978 season. They finished up third, just two points behind winners Bush Hill Rangers and level with Belstone, but behind them on goal difference.

They were very unfortunate to lose to Cockfosters Reserves in May where Cockfosters first team (who play two leagues higher had already finished their season) so we ended up effectively playing against a team that featured a large number of their first team players. As you can see from the final league table below, a win in that game and we would have won the league.

	P	W	D	L	Points
Bush Hill Rangers	30	21	4	5	67
Belstone	30	21	2	7	65
Chipperfield	30	21	2	7	65

For the First Team the last league defeat at fortress Queen Street was 26/3/2022 with this season seeing them unbeaten winning 13 out of 14 games played with the only other result being a 2-2 draw.

The Reserves had a very tough start to the season having had to almost rebuild a complete new team, but the recent months saw real progress with wins against teams ahead of them in the league. For the 13 games of the second half of the season they ended up 4th in the form league which was a great turnaround and has laid a good platform for next season.

The Third Team have had a good solid season and were looking at a top 4 finish but some tough games and a few injuries to key players took their toll and they finished in mid-table and, like the reserves, a good platform has been put in place for next season

*Martyn Dicker, President,
Chipperfield Corinthians Football Club*

Chipperfield Tennis Club Update

We are delighted that in June we finally had installed and ready for use the new LED floodlights to the front court and upgraded LED floodlights to the back court.

This increases significantly opportunities for playing social and competitive tennis throughout the year. We are very fortunate to have this high class facility in our village; it will benefit all ages for many years to come.

As part of our commitment to encouraging the younger generation, the **Chris Blackmore Rising Star Award 2023** has been awarded to **Alfie Wiltshire** (Year 4, St Paul's School). This includes complimentary CTC family membership for the year and a place for Alfie on the Saturday morning group coaching sessions. Many congratulations to Alfie.

The men have entered the Hot Rackets Herts League, under the captaincy of Richard Culverhouse. They have played 3 and won 3. Hopefully, this winning run will continue.

Members are enjoying the sun and playing competitive Doubles and Singles competitions, participating in a range of coaching sessions, playing friendlies against other clubs and more relaxed Thursday evening social tennis.

Alan Rees, CTC Chair

CRIBBAGE

If anyone is interested in playing the card game - CRIBBAGE - or knows of someone who might be interested, please contact **Kathy Archer** on **01923 260528**.

Chipperfield Clarendon Cricket Club News

As I type, we are now approaching the middle of June and we have had some settled weather for a few weeks and it does feel a little like Summer and hopefully here to stay!!

The season more or less started properly on Coronation Weekend. Because of the very wet Spring we went straight into the league season where our 3 Saturday sides play. The pitches and grounds have been difficult to play on and we are grateful to our Groundsman, Peter, for allowing us to play as much cricket as we have.

Our Friday evening All Stars and Dynamos sessions have again been incredibly popular with nearly 80 boys and girls signed up to the courses and enjoying their moment in the sun on the Common. We hope they all continue their cricketing journeys with us next year as these budding players are our future.

We were hoping to have our new Nets installed by the start of the

cricket season but the very, very wet Spring has meant that our contractors are twelve weeks behind with their work, so we are now hoping they will be installed in the first week of July. It is another significant investment for the Cricket Club and a further demonstration of our desire to provide the best facilities for our players, members and guests.

On **Wednesday 5 July** the Cricket Club is playing the **Crusaders touring team from Australia** in a memorial match for our late President, John Goodman. John gave a lifetime of service and support to the Club and the Crusaders were one of his favourite teams to officiate. The match starts at 12 pm and the bar is open all day, so please pop down if you are able to.

Lastly, the Club is delighted to welcome Hammond Clarke as a main sponsor and look forward to working with them.

Graham Gurney, Chairman, CCCC

Parish Council Update

We had our Annual Parish Meeting on the 9 May which was reasonably well attended. The Council presented itself and its finances to the village. Minutes of the meeting and the full financial details are available on the parish website.

The finances have now been fully and successfully audited by an independent auditor and the relevant declarations made to DBC. The recent local election returned three conservative ward members for Chipperfield, Bovington and Flaunden. The following were elected as Parish Councillors for the next four year term: **Cllrs Kevan Cassidy, Eamonn Flynn, Geoff Bryant, Wendy Bathurst, Carly-Anne Heaphy, Tony McGuinness, Luke Hinton and Paul Foxall.** There is no news from Dacorum on the ponds and SANG although we now have a tentative meeting date early July with DBC to discuss the SANG proposal and the general maintenance of the Common.

Kevan Cassidy, Chair, Chipperfield Parish Council

Planning Applications

The local planning authority for Chipperfield is Dacorum Borough Council (DBC). Your Parish Council is a statutory consultee and has a planning committee that meets every 3 weeks. The committee seeks to reflect the views of the community in its response and comments to DBC. Just a reminder that this committee is open to pre-application discussions with residents/ applicants to help anticipate potential issues or concerns.

Applications

- 23/01261 **Hillcrest, Stoney Lane** - Additional storey
 23/01255 **Hillcrest, Stoney Lane** - Rear extension
 23/01141 **129 Scatterdells Lane** - Additional storey
 23/01142 **Rosemary, Dunny Lane** - Rear extension
 23/01105 **Chipperfield House, Tower Hill** - Extension and alterations

Decisions

- 23/00964 **Solong, Stoney Lane** - Replacement dwelling - **Withdrawn**
 23/00741 **1 Tower Hill**, - Front/side extension - **Refused**
 23/00727 **19 Croft End Road** - Extension and alterations
Granted
 22/00919 **Land adjacent to Finch Cottage, Tenements Lane** - New dwelling - **Granted**

CHIPPERFIELD CARE is a group of volunteers who have got together to help those who are unable to find their own transport to essential appointments such as hospitals, doctors, dentists, medical clinics, fortnightly Sainsbury's shop etc.

If you are having problems getting to these, and are unable to use public transport or ask family for help, please call our **Help Line on 01923 264700 - 9.30am - 12.30pm** on weekdays, and we will do our very best to help.

Our help line is run by our volunteer Duty Officers at the above times. They will then find a volunteer Driver to arrange the safe transport of our clients to and from their requested destination.

TO ENSURE WE CAN ALWAYS MEET PEOPLE'S REQUESTS FOR MUCH NEEDED TRANSPORT, WE DO NEED MORE DRIVERS. COULD YOU VOLUNTEER AS A DRIVER (OR DUTY OFFICER) FOR JUST A FEW HOURS A MONTH?

If so, please call Patricia Harrison (Organiser) on 01923 261595 or Mark Jarrad (Chairman) on 01923 268910

Messy Church

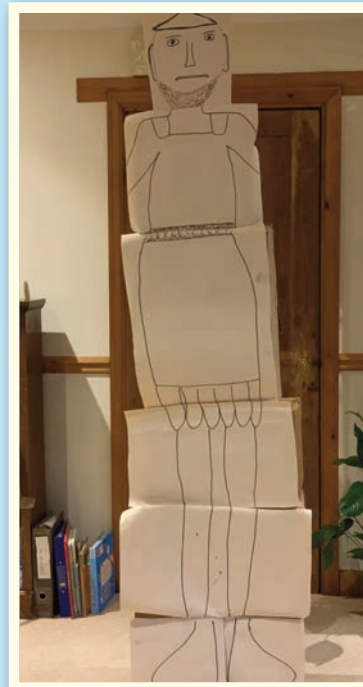

My children thoroughly enjoyed their lunchtime session at Messy Church on Sunday 4th June.

Anne Stickland presented the story of David and Goliath in a super fun way involving making a towering Goliath out of cardboard boxes that they could then knock down to reflect knocking down their worries.

Messy Church manages to introduce Christian ideas in an engaging way and during this session we also made catapults, sheep crafts and had fun with balloons and singing songs.

We all appreciated the tasty lunch and chance to meet other members of the community. Thank you for having us!

Elfrieda Power

Chipperfield Care... did you know?

.....that **Chipperfield Care** has two wheelchairs for short term loan to village residents should you need one for a hospital appointment or similar occasion. When such a need arises, please phone the Chipperfield Care helpline on **01923 264700 - 9.30am-12.30pm.**

..... that **Chipperfield Care** has been given a large library of up to date **DVDs** to suit most tastes. These are available on short term loan to our more senior residents. Please phone the Chipperfield Care helpline, as above, for details.

ST PAUL'S AND HOLY CROSS

The Benefice of St Paul's, Chipperfield and Holy Cross, Sarratt is delighted to announce the arrival in July of the Reverend Sarah Collins, currently ordained minister from the Leicester Diocese. Sarah's Licensing and Installation service will be held on 24 July at 7.30pm at St Paul's, Chipperfield. So, for the Unity Page this month and by way of an introduction, Sarah has sent us the following words

Judy Olney, Church Warden St Paul's

Having left Hertfordshire 24 years ago for rural Leicestershire, I am delighted to be returning to the area which is filled with so many fond memories.

I have filled my time away with raising three now grown-up children and involving myself in the local community. After many years working with young people, I began developing a variety of new worshipping communities; these ranged from wellbeing groups for young women to Dementia cafés for couples struggling with the changes of early onset dementia amongst others. I started training for ordination at Church Mission Society with Ripon College Cuddesdon in Oxfordshire and was ordained as a Pioneer for the Church of England in 2019, working in both a rural parish as curate and centrally for the diocese supporting Lay pioneers through training and enabling them in their outreach ministry.

I am excited to be returning with my family and getting to know the communities of Sarratt and Chipperfield and hope to hear the 'hopes and dreams', the 'struggles and concerns' which you each may have for the communities and how I can enable you to develop these and bring the change you wish to see. I have met so many lovely and inspiring people already and am looking forward to meeting so many more of you over the coming years.

Sarah Collins

OUR LADY MOTHER OF THE SAVIOUR RC CHURCH

The weather is warmer, we can smell freshly mown grass, garden centres are really busy and the ice cream vans are making their rounds. Summer is here!

I recently injured my right eye and after a few days of me dithering, my daughter drove me to Watford A and E. It wasn't too busy when we sat in the waiting room but gradually all the seats began to fill. Some complaints were obvious - a couple of broken arms and one leg, a bleeding toe and a bleeding leg, babies with high temperatures, a road accident and even an overdose.

After four and a half hours my name was called. The lovely nurse kept apologising for the waiting time but I told her it wasn't her fault. The doctors and nurses work so hard. She asked what I had done to my eye. I explained I had been on a ladder pulling ivy off a fence. She was totally horrified that a lady of my advanced years should be climbing on a ladder. "You could have fallen off and broken your arm", she said. Anyway, orange dye was put in my eye and after a thorough examination a large scratch - a corneal abrasion - was diagnosed. I was given antibiotic cream to administer for five days and a warning to keep away from ladders!

Health care today is a wonderful combination of science and technology. I am sure all of us have benefited from the advances of medicine. I began to think how Jesus healed and performed miracles

2000 years ago. He couldn't take blood, run tests or Xray people. Gospel stories show how Jesus was regularly stirred to touch and heal those who were physically hurting: the sick, the lame, the lepers, etc.

For example, He cured the blind man by spitting on the ground, making some mud and putting it on the man's eyes. A man with a serious skin disease came and bowed down in front of Jesus and with one touch his skin disease disappeared. Even Peter, sinking in the sea as he tried to walk to Jesus across the water, was caught when Jesus reached out his hand. By his example, Jesus calls us all to reach out and offer help and hope to others, if we can. We may think we don't have healing hands, as such, but then the simple act of touching someone, talking or calling and showing understanding and compassion is healing in a way, isn't it?

Whilst housebound I received gifts of grapes and flowers (plus superior safety goggles from my son!). I have had messages and calls from friends with offers of help. Being normally fit I have been moved and 'touched' by their concern. It reminded me of the quote by St Teresa of Avila: "Christ has no body on earth but yours. Yours are the eyes with which he looks compassionately on this world. Yours are the feet with which he walks to do good. Yours are the hands with which he blesses all the world."

Enjoy your summer everyone.

Sue Croucher

PINTS OF VIEW:

Our first get-together after the Summer break will be on **Monday evening, 18th September, when we will meet at The Plough, Belsize, at eight o'clock.** Pints of View is an informal forum in which to exchange views and explore topical matters, aspects of faith and moral issues over a pint of beer, a glass of wine or a soft drink. Everyone is welcome.

Damsels and Dragons Galore

This seems to be a very good year for dragonflies and damselflies. They were a little late arriving but at the end of May, in just one night, a dozen climbed up the irises at the edge of the swimming pond and performed their miraculous magic trick. They leave the water as rather ferocious looking nymphs and, as the sun rises, burst out of their crispy outer casing and, as they warm, beautiful gossamer wings fill with blood and they begin their adult lives.

They will have spent at least a year in the pond eating just about anything that moves, the big Emperors between two and five years. Now is their time in the sun, a dash to find a mate and ensure there is a generation to follow.

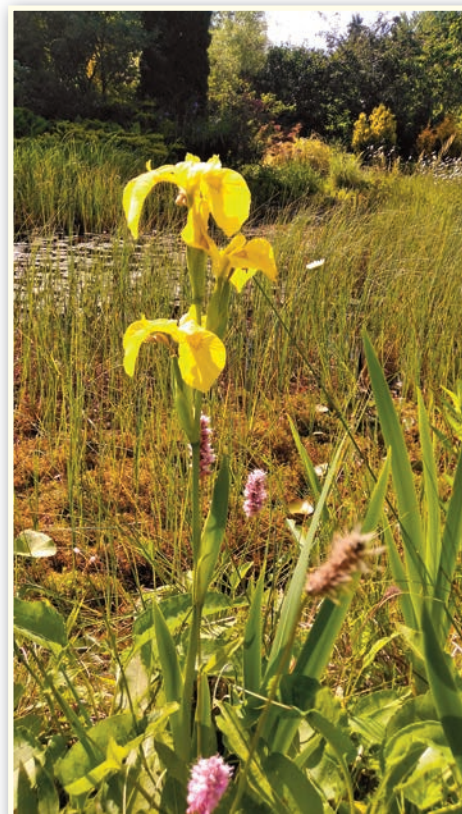

I sit spellbound as two male Emperors whizz back and forth, occasionally chasing one another. A closer look down at the water and two of the less brightly coloured females are laying eggs. These are the Hawker type, constantly on the move hunting the tiny insects over the water. From an old loosestrife stem, an orangey brown Four-spotted chaser darts across the pond to catch his meal. He prefers to lie in wait on a favourite perch and pounce on his dinner. The reeds around the edge of the pond are full of bright blue damselflies, most of them seem to be mating. The damsels will only live for a couple of weeks, while the dragons may last a couple of months, if they are lucky.

They don't seem to mind me swimming just below them, and

I look for more empty cases as I go round and round like a goldfish in a bowl. Every day now there seem to be more; the ponds are like a busy airport with flights coming in and out.

On a warm summer's day there is nowhere else I would rather have my lunch: so much to see, the ever changing flowers, birds coming for a drink or a bath, and one of nature's greatest miracles, the transformation from ugly water creature to superb flying machine all in one night!

Wendy Bathurst

Chipperfield Horticultural Society

Maria Coote generously shared her horticultural knowledge with us in May with an enjoyable talk on Companion Planting. As always, we were given lots to think about and apply to our own gardens. Many thanks, Maria!

Our **Autumn Show** takes place in the **Village Hall** on **Saturday 16th September**. Vegetables and dahlias take centre stage with many opportunities to show the results of all your hard work. There are domestic classes including A TREACLE TART and 6 MELTING MOMENTS. With handicraft, junior and photography classes too, there is something for everyone and we always welcome new exhibitors. The photography classes are PUDDLES, WOODLAND and RAINBOWS.

On **Tuesday 10th October**, **Ann Luder** is coming to talk to us in the Parish Room at 19.30. Ann is a retired lecturer (at Capel Manor College) and worked in the horticultural industry for many years. The title of her talk is '**Naturally Native - Gardening with British Natives at Home**'. This should be a great link to our recent 'bee' talk and the inclusion of 'wild' flowers at even the RHS's shows!

Members should be receiving emails updating them of our plans. If not, then please contact us. chipperfieldhortsoc@hotmail.com

Mo Barton

**Friends of
Chipperfield Common**
There will be **NO** working parties during July and August.

Instead, an opportunity for you to get out and enjoy the common and woods with family and friends.

**Any questions, please contact the Trees and Woodlands Team,
Dacorum Borough Council
on 01442 228844.**
