King Charles III Coronation Events in Chipperfield

“

Setting up
for the
coronation
events.

”

“ Castle Comedy presented Comedy Night. Harvey Hawkins (star of the latest series of Live at the Apollo); Paul Sinha (best known in his starring role in ITV’s The Chase and Beat The Chasers); Scott Bennett (BBC New comedy Award nominee). Hosted by Ashley Frieze. ”

“ Chipperfield Theatre Group presented ‘Murder is Served’. An evening of great fun and laughter which left everyone, apart from a few bright sleuths, guessing. Welcome refreshments were handed round the tables by the cafe cast. ”

“ St Paul’s Church was packed for a service of thanksgiving for the new King. The Brownies and The RBL paraded their standards; a cellist and trumpeter augmented the organ. ”

“ The sun shone and the village turned out onto the Common to enjoy picnics, freshly prepared food stalls, bouncy castle, and stayed long into the fine evening. ”

“ St Paul’s Church was again packed to listen to the Amersham A Cappella, ‘Europe’s Leading Ladies Choir’ of 40 unaccompanied voices. ”

“ Chipperfield had listened to King Charles when he asked that this day should be a day for volunteering / helping neighbours and the community. Working parties tidied up the churchyard and the vicarage garden. ”

Many thanks once again to Mike Brankin who was out and about with his camera throughout the weekend to capture all that was going on in the village at this historic time. Chipperfield News is extremely grateful.
