Easter chicks

A few weeks ago Rev'd Sarah Collins asked if Chipperfield could knit 360 Easter chicks to be filled with Cadbury's creme eggs for each child in the schools of Chipperfield and Sarratt. No problem! The ladies of the Blackwell's walking group, well practised in the art of using the needles

having knitted a high proportion of the 1,000 poppies a few years ago, set to and produced over 200 chicks in no time at all.

Together with other knitters in the village, Sarah should have her 360 plus.

Many thanks to all those who generously donated 400 creme eggs.

Children - please enjoy your eggs and save your knitted chick; perhaps refill it next year and give to a friend.

Chipperfield Parish Council

The **Annual Parish Meeting** will be on the **7th May** in the **Parish Room** at **7pm**. All are welcome to attend/ We would encourage recipients of the **Chipperfield Parish Council (CPC) grants** for last or recent years to attend and update the parish on how the spend has progressed and the key outcomes achieved and how the parish has benefitted.

As you are all keenly aware, the road surfaces in and around the village are deteriorating. Upkeep and repair is the sole responsibility of the Herts County Council Highways department which operates at county level. Dacorum Borough Council (DBC) and CPC cannot influence their speed or priorities but the more we each (as residents) report faults on the Highways website, the higher up the priority list the item becomes. So, please report all you see as soon as you see it; attach images if you can and also try and identify clearly the position of the fault. Highways state they have repaired over 40,000 potholes in the last financial year and apparently this was twice their normal number. Herts County Council (HCC) has pledged more funds for floods and potholes in the forthcoming year.

HCC is also responsible for unblocking our street drains so their website could be busy!

The web link for reporting all highway faults is: **Herts Potholes**

There have been a number of burglaries across the Kings Langley, Chipperfield, Flaunden and Bovingdon areas. These include commercial and some residential properties, as well as entering insecure outbuildings/garages. The methods of access are varied, so the police advice for residents is to consider a number of measures, such as leaving lights on, security locks on gates/garages/sheds, motion-activated lighting,

installation of CCTV and to generally be a vigilant resident by looking outside and reporting any potential suspicious activity.

Kevan Cassidy, Chair, Chipperfield Parish Council

National Business Awards

It has come to our notice that one of our local long term advertisers, **The Garden Company**, has been short listed for a prestigious award. We thought we should share this with you. More details are available when logging on to the Chipperfield Village Website where they are listed under the business section.

The Garden Company Ltd, based at Chipperfield Garden Centre, is delighted to share the news that they have been shortlisted for two Pro Landscaper Business Awards 2024. This National Award scheme celebrates how well businesses perform across a range of factors including client satisfaction, financial stability, training and development, supplier relationships and corporate social responsibility. The Garden Company is now a finalist in both the Garden Design category and the Design and Build category.

James Scott, The Garden Company's MD and Principal Designer commented: *"We are fortunate to have won a Pro Landscaper Business Award twice in recent years and we will have our fingers firmly crossed in April to be recognised again for our achievements. We're immensely proud of our recent business performance, especially considering the context of economic uncertainty. The dedication of our team is a huge factor, and we enjoyed sharing this good news with everybody in-house. We're very pleased that the Pro Landscaper judges have given us this opportunity to showcase our commitment to delivering top-quality work, exceptional client experiences and a positive work culture for our people."*

Pro Landscaper's Divisional Director, David Griffiths, commented: *"The quality of entries has been incredible, showcasing just how many great businesses there are in our industry; it's going to be incredibly hard for our great panel of judges."*

ChipperfieldClarendon Cricket Club News

There have been some very exciting things happening at the Cricket Club and we are thrilled to share them with you all.

We secured sponsorship for the aggregate on the **path** to the cricket club. This project could not have been completed without the generous support of LoveDays and together we were able to enhance the path and create a safe and accessible space for our community. Working with LoveDays was fantastic and we thank them for helping us to complete this task.

If you haven't been around recently to the Club, we invite you to come down and see the completed path and enjoy the improved facilities.

Thank you to everyone for your support and enthusiasm throughout this project. We look forward to continuing to make a positive impact in our community and share this achievement with you all.

Another exciting development is the completion of our brand new **practice nets**. We can't wait to watch our teams put them to good use this coming season.

Whether you are a seasoned player looking to sharpen your skills or a beginner wanting to improve your game, our state-of-the-art cricket nets are the perfect place for you to practise and hone your cricketing abilities.

Our cricket nets feature high-quality netting and are equipped with the latest technology to provide a safe and optimal training environment. With multiple lanes available, you can book a session with your friends or teammates and enjoy a productive and enjoyable practice session.

In addition to our cricket nets, we also offer **coaching sessions** with experienced coaches who can help you improve your batting, bowling and fielding techniques. Our coaches are dedicated to helping you to reach your full potential and achieve your cricketing goals.

Don't miss out on this exciting opportunity to take your cricket game to the next level. Bookings for sessions in our cricket nets open soon, so stay tuned!

Lastly, we have added **two dartboards** and a **pool table** to the Club. We have hosted our first darts tourney and look forward to many more. We welcome you all to join us, so be sure to check our social media platforms and Club newsletter for the dates of our up and coming events.

We look forward to seeing you at our facility soon!

For all memberships contact us on chipperfieldcricket@gmail.com.

Yours in cricket, *David Henderson, General Manager*

Chipperfield Short Mat Indoor Bowls Club

A RECIPE THAT WILL BOWL YOU OVER!

Last Friday evening, after an exciting match, I was talking with my Pairs Partner, a nice lady with a passion for cooking. She told me that she now enjoyed bowling as much as her love of cooking! We both agreed that was a recipe for success so, just for fun, we wrote it down!

Ingredients:

- 1 x mix of ladies and gentlemen
- 2 x hours of your free time.
- 30 minutes x for tea, coffee and biscuit break.
- 1 x pair of soft sole shoes.
- 4 x Bowls woods (can be provided)

Preparation:

Take all those that have the full ingredients, mix together (for chats).

Then, with some numbered buttons, divide them into teams. (This may require a responsible person to avoid any cheating).

Roll out two green mats, put some fenders at each end.

Two small wooden blockers in the middle of each mat.

Then place a small yellow ball, (we call a jack) near the top of each mat.

Now get your teams to try and get their woods round the blockers and nearest the jack.

The minute the first wood is bowled, is the tastiest you will ever get!

** This recipe will keep, if carefully stored after two and a half hours of fun.*

You can attend a tasting every Tuesday evening at 7pm and Friday afternoons at 2pm in the Chipperfield Village Hall.

Chipperfield Indoor Short Mat Bowlers have a lot of fun, as well as a lot of competition and companionship. So, why not come and join us, you are very welcome.

Chipperfield Tennis Club - anyone for tennis?

CTC has got plenty organised for the new season and we look forward to welcoming anyone who wants to get on court, have some exercise and enjoy some social and competitive tennis. Adult and Family memberships are now open.

Our coach, **David Gray**, runs *adult drill* sessions on Monday mornings, Monday evenings and Wednesday mornings; also Rusty Rackets (for Improvers) happens on a Wednesday morning. Children's coaching (5-16 years old) takes place every Saturday morning and holiday tennis camps are being planned. Social Tennis takes place every Thursday evening and monthly on a Sunday afternoon.

We also plan to have **Family Friday night socials** on **10 May, 14 June, 12 July, 9 August** and **13 September**. This will be open to all (especially families with children) and non-members; do come along, even just for a drink, and meet some of the Committee and members.

For more competitive tennis we will run the Doubles competitions and Singles Box League. We have entered both Ladies' and Men's teams in the Hertfordshire Hot Rackets League. The men's team were unbeaten last year and have been promoted a League.

If you want to play tennis, please look at our website for all membership details and coaching sessions:

A View from the pew...

"Mathew, Mark, Luke, and John, Bless the bed that I lie on"

These opening lines of an old children's rhyme are a reminder of the order in which the gospels of Matthew, Mark, Luke and John appear in the Bible. The word *gospel* comes from the Old English *godspel*, meaning good tidings, good news, which in turn comes from the Latin *evangelium* from which we get the word *evangelist* (bearer of good news). The gospels describe the ministry, crucifixion and resurrection of Jesus Christ. They bear witness to Christ and to the good news of His salvation.

Images of winged creatures have become associated with the four evangelists and their gospels. These symbols often appear in paintings, carvings and stained glass windows. For Saint Matthew, the image chosen is that of a winged man because Matthew's gospel emphasises Jesus' humanity and begins with the genealogy of Jesus. The image for Saint Mark is a winged lion. Mark emphasises Christ's kingship and his gospel opens with the voice of John the Baptist like a roaring lion, *"the voice of one crying in the wilderness"* Mark 1: 3. The symbol for Saint Luke is a sacrificial bull or ox because Luke stresses the sacrificial nature of Christ's ministry and because Luke's

gospel opens with Zechariah, John the Baptist's father, making a sacrificial offering to God. The emblem for Saint John, the fourth evangelist, is an eagle. John's gospel is the most wide-ranging of the four, relating the ministry and passion of Jesus to His place in God's plan from before creation to the end of the world.

Saint Mark's gospel is the earliest written account of the ministry, crucifixion and resurrection of Jesus, and dates from about AD65. The gospel is written in a fast-moving, urgent style, rather like that of a news report. Traditionally, Mark is associated with Saint Peter and it is thought he received much of his information directly from Peter himself. Mark is said to have founded the Church in Alexandria and to have been martyred there. Each year, the Church commemorates Saint Mark on April 25th.

Mark's is the shortest of the four gospels. Nevertheless, when David Suchet gave a reading of the gospel in St Paul's Cathedral it took him about two hours. Alec McCowan memorised the complete text of the King James translation of Mark's gospel and gave a dramatised narration in the West End and on Broadway to great acclaim. Both Alec McCowan's performance and David Suchet's reading can be found on YouTube.

"Let anyone with ears to hear listen!" Mark 4: 9

John Guy

OUR LADY MOTHER OF THE SAVIOUR RC CHURCH

I recently saw the film *'One Love.'* This musical/drama film is based on the life of reggae singer and songwriter, Bob Marley, from when he became famous in the mid-1970s until his death from cancer in 1981. I am certainly not someone who normally listens to reggae music but I appreciate why Bob Marley became a popular figure. His songs endeavoured to show love to all and to spread a message of peace and unity to the world. As the chorus of *'One Love'* simply says *'One love, one heart. Let's join together and a-feel alright.'* His music is filled with a sense of spirituality.

Saints are those men and women whose lives are honoured for their holiness and spirituality. On the 23rd April we celebrate the feast of St George, Patron Saint of England. I have been delving into his history! Often St George is depicted as a man dressed in a white tunic with a red cross, straddling his steed, and spearing a dragon as he saves a 'damsel in distress.' Not much is known about the life of St George but it is thought he was born in Turkey, not England. Did he really slay a dragon? Are dragons really a work of fiction like in the books of J.R.R. Tolkien? Many believe that the story really represents the struggle between good and evil. George was brought up a Christian and joined the Roman Army as a young man. He gradually rose through the ranks. He became a member of the Praetorian

Guard for Emperor Diocletian, but he disagreed with his unrelenting persecution of Christians. He was viciously tortured and then beheaded by the Emperor, near Lyddia in Palestine on 23 April 303, for refusing to give up his Christian faith. Stories of St George's bravery and his commitment to the faith spread and his reputation grew. He was adopted by soldiers as a symbol of courage. History tells us that it was King Edward III who made George the Patron Saint of England when he formed the Order of the Garter in 1350. Fans of Shakespeare will remember that in the Henry V play at the battle of Agincourt the King uttered the famous words *'Cry God for Harry, England and St George!'*

During World War II, King George VI established the George Cross. It is awarded to civilians 'for acts of the greatest heroism or for most conspicuous courage in circumstance of extreme danger'. One of the earliest recipients was the Island of Malta that was under siege at the beginning of World War II for, as the King put it - *"to bear witness to the heroism and devotion of its people"*.

I wonder what sort of song Bob Marley might have written about St George? One of his famous quotes, perhaps, sums up all good people - *"The greatness of a man is not in how much wealth he acquires, but in his integrity and his ability to affect those around him positively."*

Here we go again!

It's that time of year again; I get up early and seem to spend half the day going up and down the garden to count sheep.

On a very wet morning a few days ago there were two more! Daisy was in the little shed sitting in the corner carefully shielding two little ewe lambs from the driving rain. At last, she was a bit over the expected date, but all were in good shape. The new arrivals got a quick squirt of iodine on their navels then, after a stretch, went to mum for a little feed. Daisy got a nice bowl of ewe pellets and a bit of hay, then settled back down to keep the rain and draughts off the little rascals. All content and sated. Last year Daisy did not seem to have much milk at first and her little ones were constantly after more, so it was great to see them all happy. I never count my chickens or lambs too soon but...

so far so good!

Dilly, my other ewe, is due in about a week's time and is as big as a house. She is always a lot bigger than Daisy and thinks she's the boss but is most respectful of the new mum, letting her have the bigger shed whilst she shelters in one of the red portable bomb shelters. I bought the shelters years ago; I think they were used by the RAF to cover missiles on their way to aircraft. They are fibreglass and heavy enough not to blow away, but light enough for me to drag to wherever they are needed. They do the job and proudly proclaim EXPLOSIVES! on the outside. People often ask me about them when they see them from the footpath, but the sheep like them and, of course, they can't read.

Fingers crossed that it will all go well for Dilly as well and then I can count sheep in bed!
